SUPPLEMENTARY INFORMATION:

Background

Commerce published the notice of initiation of this investigation on November 8, 2022.¹ The period of investigation is April 1, 2022, through September 30, 2022. On May 17, 2023, Commerce preliminarily determined that paper file folders from China are being, or are likely to be, sold in the United States at less than fair value.²

Postponement of Final Determination and Extension of Provisional Measures

Section 735(a)(2) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.210(b)(2) provide that a final determination may be postponed until not later than 135 days after the date of the publication of the preliminary determination if, in the event of an affirmative preliminary determination, a request for such postponement is made by exporters who account for a significant proportion of exports of the subject merchandise, or in the event of a negative preliminary determination, a request for such postponement is made by the petitioner.³ Pursuant to 19 CFR 351.210(e)(2), Commerce requires that requests by respondents for postponement of a final antidumping determination be accompanied by a request for extension of provisional measures from a four-month period to a period not more than six months in duration.

On May 12, 2023, pursuant to 19 CFR 351.210(e), mandatory respondents CRE8 Direct (Ningbo) Co., Ltd. (CRE8 Direct) and Ningbo Guangbo Import & Export Co., Ltd. (Guangbo) requested that Commerce postpone the final determination and that provisional measures be extended to a period not to exceed six months.⁴ In accordance with section 735(a)(2)(A) of the Act and 19 CFR 351.210(b)(2)(ii), because: (1) the preliminary determination is affirmative; (2) the requesting exporters account for a significant proportion of exports of the subject merchandise; and (3) no compelling reasons for denial exist, Commerce is postponing the final determination and extending the provisional measures from a four-month period to a period not greater than six months. Accordingly, Commerce's final determination will be issued no later than 135 days after the date of publication of the *Preliminary Determination*.

Notification to Interested Parties

This notice is issued and published pursuant to section 735(a)(2) of the Act and 19 CFR 351.210(g).

SUPPLEMENTARY INFORMATION:

Background

On February 7, 2023, the U.S. Department of Commerce (Commerce) initiated less-than-fair-value (LTFV) investigations of imports of tin mill products from Canada, China, Germany, the Netherlands, Korea, Taiwan, Turkey, and the United Kingdom.¹ Currently, the preliminary determinations are due no later than June 27, 2023.

¹ See *Tin Mill Products from Canada, the People's Republic of China, Germany, the Netherlands, the Republic of Korea, Taiwan, the Republic of Turkey, and the United Kingdom: Initiation of Less-Than-Fair-Value Investigations*, 88 FR 9481 (February 14, 2023).

Postponement of Preliminary Determinations

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in an LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation if: (A) the petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On May 18, 2023, the petitioners² submitted a timely request that Commerce postpone the preliminary determinations in the LTFV investigations of imports of tin mill products from Canada, China, Germany, the Netherlands, Korea, Taiwan, Turkey, and the United Kingdom. The petitioners stated that “[p]ostponement is warranted so that Commerce can evaluate fully the initial questionnaire responses submitted by the mandatory respondents and solicit supplemental information as necessary,” and the petitioners “seek postponement of all the antidumping investigations in order to keep them on the same schedule and avoid the need to split the cases at the International Trade Commission.”³

For the reasons stated above and because there are no compelling reasons to deny the request, in accordance with section 733(c)(1)(A) of the Act and 19 CFR 351.205(e), Commerce is postponing the deadline for the preliminary determinations by 50 days (*i.e.*, to 190 days after the date on which these investigations were initiated). As a result, Commerce will issue its preliminary determinations in the above-referenced investigations no later than August 16, 2023. In accordance

with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determinations of these investigations will continue to be 75 days after the date of the preliminary determinations, unless postponed at a later date.

Notification to Interested Parties

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: May 24, 2023.
