SUPPLEMENTARY INFORMATION:

Agenda

The Monkfish Research Set-Aside (RSA) Working Group will meet to discuss any additional challenges to the Monkfish RSA program not previously identified. They will also discuss potential solutions to improve the Monkfish RSA program. For each potential solution, identify a concern/challenge that the solution addresses and any pros and cons for the potential solution. These will be further evaluated by working group members.

Other business may be discussed, as necessary.

Although non-emergency issues not contained on the agenda may come before this Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency. The public also should be aware that the meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request.

Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Thomas A. Nies, Executive Director, at (978) 465–0492, at least 5 days prior to the meeting date.

Authority: 16 U.S.C. 1801 *et seq.*
