

Competing applications and notices of intent must meet the requirements of 18 CFR 4.36.

The Commission strongly encourages electronic filing. Please file comments, motions to intervene, notices of intent, and competing applications using the Commission's eFiling system at <http://www.ferc.gov/docs-filing/efiling.asp>. Commenters can submit brief comments up to 6,000 characters, without prior registration, using the eComment system at <http://www.ferc.gov/docs-filing/ecomment.asp>. You must include your name and contact information at the end of your comments. For assistance, please contact FERC Online Support at FERCOnlineSupport@ferc.gov, (866) 208-3676 (toll free), or (202) 502-8659 (TTY). In lieu of electronic filing, please send a paper copy to: Secretary, Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426. The first page of any filing should include docket number P-14974-000.

More information about this project, including a copy of the application, can be viewed or printed on the "eLibrary" link of the Commission's website at <http://www.ferc.gov/docs-filing/elibrary.asp>. Enter the docket number (P-14974) in the docket number field to access the document. For assistance, contact FERC Online Support.

Kimberly D. Bose,
Secretary.

Federal Energy Regulatory Commission

[Docket No. ER19-2672-000]

Supplemental Notice That Initial Market-Based Rate Filing Includes Request for Blanket Section 204 Authorization: SR Arlington II MT, LLC

This is a supplemental notice in the above-referenced SR Arlington II MT, LLC's application for market-based rate authority, with an accompanying rate tariff, noting that such application includes a request for blanket authorization, under 18 CFR part 34, of future issuances of securities and assumptions of liability.

Any person desiring to intervene or to protest should file with the Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Anyone filing a motion to

intervene or protest must serve a copy of that document on the Applicant.

Notice is hereby given that the deadline for filing protests with regard to the applicant's request for blanket authorization, under 18 CFR part 34, of future issuances of securities and assumptions of liability, is September 11, 2019.

The Commission encourages electronic submission of protests and interventions in lieu of paper, using the FERC Online links at <http://www.ferc.gov>. To facilitate electronic service, persons with internet access who will eFile a document and/or be listed as a contact for an intervenor must create and validate an eRegistration account using the eRegistration link. Select the eFiling link to log on and submit the intervention or protests.

Persons unable to file electronically should submit an original and 5 copies of the intervention or protest to the Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426.

The filings in the above-referenced proceeding are accessible in the Commission's eLibrary system by clicking on the appropriate link in the above list. They are also available for electronic review in the Commission's Public Reference Room in Washington, DC. There is an eSubscription link on the website that enables subscribers to receive email notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please email FERCOnlineSupport@ferc.gov, or call (866) 208-3676 (toll free). For TTY, call (202) 502-8659.

Dated: August 22, 2019.

Nathaniel J. Davis, Sr.,
Deputy Secretary.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Project No. 14966-000]

Grid Balance Hydropower, LLC; Notice of Preliminary Permit Application Accepted for Filing and Soliciting Comments, Motions To Intervene, and Competing Applications

On February 25, 2019, Grid Balance Hydropower, LLC, filed an application for a preliminary permit, pursuant to section 4(f) of the Federal Power Act (FPA), proposing to study the feasibility

of the Packer-Banks Pumped Storage Project to be located in Carbon County, Pennsylvania. The sole purpose of a preliminary permit, if issued, is to grant the permit holder priority to file a license application during the permit term. A preliminary permit does not authorize the permit holder to perform any land-disturbing activities or otherwise enter upon lands or waters owned by others without the owners' express permission.

The proposed project would consist of the following: (1) A new 9,500-foot-long, 80- to 120-foot-high roller-compacted concrete and/or rock-filled dam or dike forming an upper reservoir having a surface area of 120 acres and a total storage capacity of approximately 9,300 acre-feet at a normal maximum water surface elevation between approximately 1,960 and 1,860 feet above mean sea level (msl); (2) a lower reservoir with three different options: Option A (site 1) or B (site 2) would include a new 9,500-foot-long, 85- to 95-foot-high roller-compacted concrete and/or rock-filled dam or dike forming a lower reservoir having a surface area of 120 acres and a total storage capacity of approximately 9,300 acre-feet at a normal maximum water surface elevation between approximately 1,250 and 1,350 feet msl. Option C (site 3) would include a below grade mine pit with a surface area of 200 acres and a total storage capacity of approximately 10,000 acre-feet at a normal maximum water surface elevation between approximately 1,250 and 1,350 feet msl; (3) a 5,500-foot-long tunnel and/or penstock connecting the upper and lower reservoirs; (4) a powerhouse containing four turbine-generator units with a total rated capacity of 400 megawatts; (5) a transmission line connecting to an existing 230-kilovolt transmission line traversing the site; and (6) appurtenant facilities. Initial fill and make-up water for the project would come from a nearby abandoned mine drainage source. The proposed project would have an annual generation of 1,680,000 megawatt-hours.

Applicant Contact: Paul A. DiRenzo, Jr., Grid Balance Hydropower, LLC, 214 Norwegian Woods Drive, Pottsville, PA 17901; phone: 570-617-7810.

FERC Contact: Monir Chowdhury; phone: (202) 502-6736.

Deadline for filing comments, motions to intervene, competing applications (without notices of intent), or notices of intent to file competing applications: 60 days from the issuance of this notice.¹

¹ The Commission is issuing a second notice for this project because some municipalities may not
