k. *Description of Request:* FirstLight Hydro Generating Co. is requesting authorization from the Commission to allow the Tax District of Candlewood Isle (applicant) to expand the footprint and number of existing residential boat docks at Candlewood Isle. The applicant currently has docks at two locations: (1) The Clubhouse (3 docks that accommodate 40 watercraft and 19 mooring locations) and (2) the tennis courts (two docks that accommodate 12 watercraft). The applicant proposes to replace the 19 existing mooring locations at the Clubhouse by extending each of the 3 existing docks to accommodate an additional 20 watercraft, and add 4 additional docks at the Tennis Courts location to accommodate an additional 72 watercraft. In all, the proposed facilities could accommodate a total of 144 watercraft, which would be a net increase of 73 boat docking locations relative to the existing conditions. The licensee states that its request is consistent with the approved Shoreline Management Plan and Boat Overcrowding Plan because, among other things, the applicant holds deeded rights to construct the boat docks.

l. *Locations of the Application:* A copy of the application is available for inspection and reproduction at the Commission's Public Reference Room, located at 888 First Street NE, Room 2A, Washington, DC 20426, or by calling (202) 502-8371.
