

III. Submission to Congress and the Comptroller General

Grant solicitations containing binding legal requirements are considered rules for the purpose of the Congressional Review Act (CRA) (5 U.S.C. 801*et seq.*). The CRA generally provides that before a rule may take effect, the agency promulgating the rule must submit a rule report, which includes a copy of the rule, to each House of the Congress and to the Comptroller General of the United States. EPA will submit a report containing this grant solicitation and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication in the **Federal Register**. This grant solicitation does not qualify as a "major rule" as defined by 5 U.S.C. 804(2).
