*General Description of Collection:* The FDIC obtained emergency approval from OMB for three collections of information related to an amendment to the FDIC's assessment regulations that required insured depository institutions to prepay, on December 30, 2009, their estimated, quarterly, risk-based assessments for the fourth quarter of 2009, and for all of 2010, 2011, and 2012. The FDIC will begin to offset prepaid assessments on March 30, 2010, representing payment for the fourth quarter of 2009. Any prepaid assessment not exhausted by December 30, 2014, would be returned to the institution.

The deadline of 12/31/09 for applications for exemptions, or for applications for withdrawal of exemptions has passed, and there are no exceptions to the deadline. Transfers of assessments, however, are still permitted. When an insured depository institution enters into an agreement to transfer any portion of its prepaid assessment to another insured depository institution, it is required to notify the FDIC's Division of Finance of that transaction by submitting a written agreement signed by the legal representatives of both institutions, including documentation that each representative has the legal authority to bind the institution.

#### Request for Comment

*Comments are invited on:* (a) Whether these collections of information are necessary for the proper performance of the FDIC's functions, including whether the information has practical utility; (b) the accuracy of the estimate of the burdens of the information collections, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collections on respondents, including through the use of automated collection techniques or other forms of information technology. All comments will become a matter of public record.
