Job Corps Center Selected for Closure

Chronic underperformance in a center, despite repeated and varied efforts by the Department to improve its performance, is a circumstance that cannot be allowed to persist. Closing such a center not only allows the program to better serve the nation's youth in acquiring career skills through quality job training, but also results in a more effective use of the program's resources.

Based on the final closure methodology and the additional considerations described above, the Treasure Lake Job Corps center has been selected for closure.

In applying the final closure methodology, the Department first calculated the five-year OMS performance level, the five-year OBS, and the five-year FCI and then calculated the Overall Rating for Primary Selection Factors, as described above. Treasure Lake clearly received the lowest Overall Rating for Primary Selection Factors and, therefore, the lowest ranking. After ranking the centers based on the primary criteria, the Department then applied the additional considerations and determined that none of the additional considerations prevented the selection of Treasure Lake for closure. The Department is requesting public comments on the Treasure Lake Job Corps center's selection for closure.

The Department will implement the closure process pursuant to the center closure requirements outlined in the WIA at section 159(g) and as stipulated in the DOL/USDA Interagency Agreement.

The Process for Closing Job Corps Centers, as Outlined in the Workforce Investment Act

The Department will ensure that our process for closing Job Corps centers will follow the requirements of section 159(g) of the WIA, which include the following:

- The proposed decision to close a particular center is announced in advance to the general public through publication in the **Federal Register** or other appropriate means;
- A reasonable comment period, not to exceed 30 days, is established for interested individuals to submit written comments to the Secretary; and
- The Member of Congress who represents the district in which such center is located is notified within a reasonable period of time in advance of any final decision to close the center.

This Notice serves as the public announcement of the decision to close Treasure Lake. The Department is providing a 30-day period for interested individuals to submit written comments on the decision.

Portia Wu,

Assistant Secretary for Employment and Training.

OFFICE OF MANAGEMENT AND BUDGET

OMB Sequestration Update Report to the President and Congress for Fiscal Year 2015

AGENCY: Executive Office of the President, Office of Management and Budget.

ACTION: Notice of availability of the OMB Sequestration Update Report to the President and Congress for FY 2015.

SUMMARY: OMB is issuing the *OMB Sequestration Update Report to the President and Congress for FY 2015* to report on the status of the discretionary caps and on the compliance of pending discretionary appropriations legislation with those caps. The report finds that if the current limits remain unchanged, under OMB's estimates Senate action to date for the 12 annual appropriations bills for fiscal year 2015 would result in a sequestration of approximately \$34 million in discretionary programs in the defense category. The report also finds that actions by the House of Representatives for both the defense and non-defense categories and actions by the Senate for the non-defense category are in compliance with the current 2015 spending limits and that present House and Senate action on pending 2014 supplemental appropriations would not breach the current 2014 limits. Finally, the report also contains OMB's Preview Estimate of the Disaster Relief Funding Adjustment for FY 2015.

DATES: *Effective Date:* August 20, 2013. Section 254 of the Balanced Budget and Emergency Deficit Control Act of 1985, as amended, requires the Office of Management and Budget (OMB) to issue a Sequestration Update Report on August 20th of each year. With regard to this update report and to each of the three required sequestration reports, section 254(b) specifically states the following:

SUBMISSION AND AVAILABILITY OF REPORTS.—Each report required by this section shall be submitted, in the case of CBO, to the House of Representatives, the

Senate and OMB and, in the case of OMB, to the House of Representatives, the Senate, and the President on the day it is issued. On the following day a notice of the report shall be printed in the **Federal Register**.
