OMB Number: 1660-0015.

Abstract: The certification forms (referred to as MT-1 series forms) are designed to assist requesters in gathering information that FEMA needs to determine whether a certain property is likely to be flooded during a flood event that has a one-percent annual chance of being equaled or exceeded in any given year (base flood).

FEMA Form 81-87, Property Information, describes the location of the property, what is being requested, and what data are required to support the request.

This information is required in order for FEMA to determine if the property that the requester would like removed from the SFHA is at or above the BFE.

FEMA Form 81-87B, Community Acknowledgment, requires that a community official certify that the request complies with minimum floodplain management criteria specified in 44 CFR 60.3, as per NFIP regulations 44 CFR 65.5(a)(4).
