Foreign-Trade Zones Board

[B-13-2017]

Foreign-Trade Zone (FTZ) 7— Mayaguez, Puerto Rico; Notification of Proposed Production Activity; Romark Global Pharma, LLC; Subzone 7P; Manatí, Puerto Rico (Pharmaceuticals)

Romark Global Pharma, LLC (Romark), operator of Subzone 7P, submitted a notification of proposed production activity to the FTZ Board for its facility within Subzone 7P, in Manatí, Puerto Rico. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on February 6, 2017.

The Romark facility, currently under construction, will be used to produce finished pharmaceutical products and active ingredients. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Romark from customs duty payments on the foreign-status components used in export production. On its domestic sales, Romark would be able to choose the duty rates during customs entry procedures that apply to Alinia® (nitazoxanide) tablets and oral suspension, nitazoxanide controlled release bilayer tablets, and nitazoxanide (active pharmaceutical ingredient) (duty rates—free and 6.5%) for the foreign-status inputs noted below. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The components and materials sourced from abroad include: Croscarmellose sodium; microcrystalline cellulose; plastic bottles; container labels; glass bottles;

plastic caps; paper board cartons; colloidal silicon dioxide; cotton coil packaging; desiccant bags; dibasic calcium phosphate; hydroxypropyl cellulose; hydroxypropylmethylcellulose; hypromellose; product information paper inserts; magnesium stearate; pregelatinized corn starch; anhydrous citric acid; corn starch; strawberry flavoring with alcohol; sodium carboxymethylcellulose; nitazoxanide; sodium benzoate; sodium citrate dihydrate; sodium starch glycolate; talc; purified water; and, xanthan gum (duty rates range from free to 6.5%).

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is April 10, 2017.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the FTZ Board's Web site, which is accessible via www.trade.gov/ftz.

For further information, contact Diane Finver at Diane.Finver@trade.gov or (202) 482-1367.

Dated: February 21, 2017.

Andrew McGilvray,
Executive Secretary.

International Trade Administration

Calendar of Upcoming Trade Missions

AGENCY: International Trade Administration, Department of Commerce

ACTION: Notice

SUPPLEMENTARY INFORMATION: The United States Department of Commerce, International Trade Administration (ITA) is announcing eight upcoming trade missions that will be recruited, organized and implemented by ITA. These missions are:

- Executive-Led Wastewater Treatment Business Development Mission to China, June 11–17, 2017
- Paint & Coatings Materials Suppliers Trade Mission to Mexico City, June 18–20, 2017
- U.S. Healthcare Trade Mission to Africa, October 22–27, 2017

- Cyber Security Trade Mission to Canada, September 11–14, 2017

- Smart Cities Trade Mission to Poland and The Czech Republic, September 10–15, 2017

- Sustainable Building and Construction Trade Mission to Mexico City (Optional Stop in Guadalajara), October 9–13, 2017

- Trade Mission to Romania, Bulgaria, Croatia, Serbia and Greece in Conjunction with Trade Winds—Southeastern Europe Business Forum, October 16–24, 2017

- Renewable Energy Integration Trade Mission to Canada, October 30–November 2, 2017

A summary of each mission is found below. Application information and more detailed mission information, including the commercial setting and sector information, can be found at the trade mission Web site: <http://export.gov/trademissions>.

For each mission, recruitment will be conducted in an open and public manner, including publication in the **Federal Register**, posting on the Commerce Department trade mission calendar (<http://export.gov/trademissions>) and other Internet Web sites, press releases to general and trade media, direct mail, broadcast fax, notices by industry trade associations and other multiplier groups, and publicity at industry meetings, symposia, conferences, and trade shows.

The following Conditions for Participation will be used for each mission: Applicants must submit a completed and signed mission application and supplemental application materials, including adequate information on their products and/or services, primary market objectives, and goals for participation. If the Department of Commerce receives an incomplete application, the Department may either: Reject the application, request additional information/clarification, or take the lack of information into account when evaluating the application. If the requisite minimum number of participants are not selected for a particular mission by the recruitment deadline, the mission may be cancelled.

Each applicant must also certify that the products and services it seeks to export through the mission are either produced in the United States, or, if not, are marketed under the name of a U.S. firm and have at least fifty-one percent U.S. content by value. In the case of a trade association or organization, the applicant must certify that, for each firm or service provider to be represented by the association/organization, the products and/or services the

represented firm or service provider seeks to export are either produced in the United States or, if not, marketed under the name of a U.S. firm and have at least 51% U.S. content.

A trade association/organization applicant must certify to the above for all of the companies it seeks to represent on the mission.

In addition, each applicant must:

- Certify that the products and services that it wishes to market through the mission would be in compliance with U.S. export controls and regulations;

- Certify that it has identified any matter pending before any bureau or office in the Department of Commerce;

- Certify that it has identified any pending litigation (including any administrative proceedings) to which it is a party that involves the Department of Commerce; and

- Sign and submit an agreement that it and its affiliates (1) have not and will not engage in the bribery of foreign officials in connection with a company's/participant's involvement in this mission, and (2) maintain and enforce a policy that prohibits the bribery of foreign officials.

In the case of a trade association/organization, the applicant must certify that each firm or service provider to be represented by the association/organization can make the above certifications.

The following Selection Criteria will be used for each mission: Targeted mission participants are U.S. firms, services providers and trade associations/organizations providing or promoting U.S. products and services that have an interest in entering or expanding their business in the mission's destination country. The following criteria will be evaluated in selecting participants:

- Suitability of the applicant's (or in the case of a trade association/organization, represented firm or service provider's) products or services to these markets;

- The applicant's (or in the case of a trade association/organization, represented firm or service provider's) past, present, and prospective business activity in relation to the Mission's target market(s) and sector(s);

- The applicant's (or in the case of a trade association/organization, represented firm or service provider's) potential for business in the markets, including likelihood of exports resulting from the mission; and

- Consistency of the applicant's (or in the case of a trade association/organization, represented firm or service

provider's) goals and objectives with the stated scope of the mission.

Referrals from a political party or partisan political group or any information, including on the application, containing references to political contributions or other partisan political activities will be excluded from the application and will not be considered during the selection process. The sender will be notified of these exclusions.

Trade Mission Participation Fees: If and when an applicant is selected to participate on a particular mission, a payment to the Department of Commerce in the amount of the designated participation fee below is required. Upon notification of acceptance to participate, those selected have 5 business days to submit payment or the acceptance may be revoked.

Participants selected for a trade mission will be expected to pay for the cost of personal expenses, including, but not limited to, international travel, lodging, meals, transportation, communication, and incidentals, unless otherwise noted. Participants will, however, be able to take advantage of U.S. Government rates for hotel rooms. In the event that a mission is cancelled, no personal expenses paid in anticipation of a mission will be reimbursed. However, participation fees for a cancelled mission will be reimbursed to the extent they have not already been expended in anticipation of the mission.

If a visa is required to travel on a particular mission, applying for and obtaining such visas will be the responsibility of the mission participant. Government fees and processing expenses to obtain such visas are not included in the participation fee. However, the Department of Commerce will provide instructions to each participant on the procedures required to obtain business visas.

Trade Mission members participate in trade missions and undertake mission-related travel at their own risk. The nature of the security situation in a given foreign market at a given time cannot be guaranteed. The U.S. Government does not make any representations or guarantees as to the safety or security of participants. The U.S. Department of State issues U.S. Government international travel alerts and warnings for U.S. citizens available at <https://travel.state.gov/content/passports/en/alertswarnings.html>. Any question regarding insurance coverage must be resolved by the participant and its insurer of choice.

Definition of Small and Medium Sized Enterprise: For purposes of

assessing participation fees, the Department of Commerce defines Small and Medium Sized Enterprises (SME) as a firm with 500 or fewer employees or that otherwise qualifies as a small business under SBA regulations (see <http://www.sba.gov/services/contractingopportunities/sizestandardstoc/index.html>). Parent companies, affiliates, and subsidiaries will be considered when determining business size. The dual pricing reflects the Commercial Service's user fee schedule that became effective May 1, 2008 (see <http://www.export.gov/newsletter/march2008/initiatives.html> for additional information).

Mission List: (additional information about each mission can be found at <http://export.gov/trademissions>).

Department of Commerce Wastewater Business Development Mission to China, June 11–17, 2017

Summary

The United States Department of Commerce, International Trade Administration (ITA), is organizing an Executive-led Wastewater Treatment Business Development Mission to China from June 11–17, 2017. This mission is a follow-up to an April 2015 Smart Cities—Smart Growth Business Development Mission to China led by Secretary Pritzker. This mission will promote U.S. exports to China by supporting U.S. companies in launching or increasing their business in the marketplace products and services relating to wastewater treatment, including industrial wastewater treatment. Key elements will include business-to-government and business-to-business meetings, market briefings, and networking events.

Trade mission delegates will participate in a five-day program, including roundtables and policy meetings with officials in China. In Beijing the mission will coincide with the China International Environmental Protection Exhibition and Conference (CIEPEC). CIEPEC is the Ministry of Environmental Protection's biennial sponsored trade show and conference. CIEPEC draws officials from all regional Environmental Protection Bureaus (EPBs) and municipalities, providing access to the tendering organizations that are developing water and wastewater treatment plant projects. Participants will have an opportunity to walk this trade show floor, as well as have a series of one-on-one meetings with pre-screened potential agents, distributors, and representatives at the show. In Nanjing and Guangzhou, participants will also have one-on-one

meetings with pre-screened potential partners, as well as meet end users and government officials. In each city, the participants will also attend market briefings by U.S. Embassy officials and other industry experts, as well as networking events offering further opportunities to speak with local business and industry decision-makers.

Cyber Security Trade Mission to Canada, September 11-14, 2017

Summary

The United States Department of Commerce, International Trade

Administration (ITA), is organizing a Cyber Security Trade mission to three locations in Canada: Toronto, Ottawa and Montreal, September 11-14, 2017.

The purpose of the mission is to introduce U.S. firms to Canada's expanding opportunities within the cyber security industry, and to assist U.S. companies in pursuing export opportunities in this sector.

The mission is designed for all U.S. firms and organizations who play a part in the industry, regardless of specific niche. This mission will also help U.S. companies already doing business within the Canadian market to increase their footprint and deepen their business interests.

The mission will help participating firms gain market insights, make industry contacts, solidify business strategies, and advance specific projects, with the goal of creating and increasing U.S. product and services exports. The mission will include market briefings, one-on-one business appointments with pre-screened potential buyers, agents, distributors, industry leaders, and joint venture partners; meetings with national, provincial, regional and municipal governments; and networking events. Participating in an official U.S. industry delegation, rather than traveling on their own, will enhance attending companies' ability to identify opportunities and act on available opportunities in Canada.

Schedule

Monday—September 11 Toronto, Ontario	• Welcome and overview of Mission. • Market briefings from CS and industry experts. • Discussions with potential partners at on-site speed meetings or off-site one-on-ones. • Site Visits, pre-scheduled by industrial focus. • Roundtable with government, CS and industry officials. • Afternoon travel to Ottawa. • Morning session on selling to the Government of Canada. • Afternoon roundtable with government, CS and industry officials.. • Late Afternoon Networking Reception with government, industry and distributors. • Evening travel to Montreal. • Tabletop display at Montreal Security Tech Show. • Networking reception with targeted guest list from Montreal Security Tech Show and local cybersecurity contacts.
Tuesday—September 12 Toronto, Ontario	
Wednesday—September 13 Ottawa, Ontario	
Thursday—September 14 Montreal, Quebec	

Participation Requirements

A minimum of 10 and maximum of 20 firms, service providers and/or trade associations/organizations will be

selected from the applicant pool to participate in the trade mission.

Fees and Expenses

The participation fee for the trade mission to Canada is \$3,200 for small or medium-sized enterprises (SME) and

\$3,600 for large firms and trade associations/organizations. The fee for each additional company representative (large firm or SME or trade association/organization) is \$500.00. Interpreter and driver services can be arranged for additional cost. The participation fee will cover group transit from hotel to airport/train station on departure from each destination as well as local group transportation to meeting venues, where applicable. Delegation members will be able to take advantage of U.S. Embassy rates for hotel rooms.

Timeframe for Recruitment and Application

Recruitment for this mission will begin immediately and conclude no later than June 30, 2017. All applications must be submitted before June 30, 2017. The Department of Commerce will evaluate all applications and inform applicants of selection decisions as soon as possible after this application deadline. Applications received after June 30, 2017 will be considered only if space and scheduling constraints permit.

Sustainable Building & Construction Trade Mission to Mexico City (Optional Stop in Guadalajara), October 9–13, 2017

Summary

The United States Department of Commerce, International Trade Administration (ITA), is organizing a Sustainable Construction Trade Mission to Mexico from October 9–13, 2017. The purpose of the mission is to introduce U.S. firms to Mexico's Sustainable Building & Construction sector, and to assist U.S. companies in pursuing export opportunities in this sector. The mission also will help U.S. companies already doing business in Mexico increase their footprint and deepen their business interests. By focusing on infrastructure-related projects, this mission advances ITA's work to increase U.S. company participation in infrastructure and strategically position our clients to tap medium and long-term opportunities.

This trade mission is open to all qualified companies in the sector. Under ITA's Veterans Go Global initiative, it also includes a focus on U.S. veteran-owned companies who play a significant role in sustainable building and construction.

Renewable Energy Integration Trade Mission to Canada, October 30–November 2, 2017

Mission Description

The United States Department of Commerce International Trade Administration (ITA) is proposing a Renewable Energy Integration Trade Mission to Toronto and Calgary October 30–November 2, 2017.

The purpose of the mission is to introduce U.S. firms to Canada's rapidly expanding interest and projects-base towards the effective application of renewable energy and smart grid solutions into the electrical grid, and to assist U.S. companies in pursuing export opportunities while making the most appropriate and impactful contacts within this sector.

The mission is designed for U.S. industry with a focus on utility-scale and distributed energy resources (DER) renewable energy power generators and services providers. This mission will further support U.S. companies who are active in the Canadian market with a focus on increasing footprints and deepening business interests, especially for those companies of all sizes who are part of the industry's global supply chain. The mission is open to all U.S. firms and organizations in the renewable energy sector focused on solar, wind, and hydropower as well as the smart grid (transmission, distribution, and storage) technologies that will enable effective grid integration.

The mission will help participants gain market insights, make industry contacts, solidify business strategies, and advance specific projects, with the goal of increasing U.S. product and services exports. The mission will include market briefings, one-on-one business appointments with pre-screened potential buyers, agents, distributors, industry leaders, and joint venture partners; meetings with state and local government officials; and networking events. Participating in an official U.S. industry delegation, rather than traveling on their own, will enhance the companies' ability to identify opportunities and act on available opportunities in Canada.

Schedule

Sunday—October 29, Toronto, Ontario ..	• Participants arrive in Toronto by 4:00 p.m. • Welcome social event at venue hotel.
Monday—October 30, Toronto	• Welcome and overview of Mission from U.S. Consulate staff. • Country briefing by consulate officials on Canada's renewable energy sector and business opportunities. • Market briefings from Foreign Commercial Service, renewable energy stakeholders, and government officials. • Business to business meetings with potential partners at central venue. • Evening reception hosted by U.S. Consulate including mission sponsors, with key stakeholders, government officials, and prospective business partners.
Tuesday—October 31, Toronto	• Meetings with federal, provincial and/or local government officials at central venue. • Site visit and Lunch with host company/sponsor and leading industry trade associations. • Afternoon travel to Calgary.

Wednesday—November 1, Calgary, Alberta.	• Welcome and overview of Mission from U.S. Consulate staff. • Briefing on Prairie Provinces renewable energy sector by consulate officials and business opportunities. • Market briefings from Foreign Commercial Service, renewable energy stakeholders, and government officials. • Business to business meetings with potential partners at central venue. • Evening event hosted by U.S. Consulate including mission sponsors, with key stakeholders, chamber and trade associations, government officials, and prospective business partners.
Thursday—November 2, Calgary	• Meetings with federal, provincial and regional government officials at central venue. • Site visit and Lunch with host company/sponsor and leading industry trade associations. • Afternoon wrap-up; mission ends.

Participation Requirements

A minimum of 10 and maximum of 20 firms, service providers and/or trade associations/organizations will be selected from the applicant pool to participate in the trade mission.

Fees and Expenses

The participation fee for the trade mission to Canada, including 2 stops (Toronto and Calgary) will be \$3,500 for small or medium-sized enterprises (SME) and \$6,000 for large firms and trade associations/organizations. The fee for each additional company representative (large firm or SME or trade association/organization) is \$1,000. A maximum of 2 representatives per company will be able to participate in the Mission.

Timeframe for Recruitment and Application

Recruitment for this mission will begin immediately and conclude no later than July 28, 2017. The Department of Commerce will evaluate applications and inform applicants of selection decisions on a rolling basis until the maximum of 20 applicants are selected. Applications received after July 28, 2017, will be considered only if space and scheduling constraints permit.
