#### Eastern Fine Paper Brewer, ME; Notice of Revised Determination on Reconsideration

On April 27, 2001, the Department issued a Notice of Affirmative Determination Regarding Application for Reconsideration for TAA and NAFTA-TAA applicable to workers and former workers of the subject firm. The notice was published in the **Federal Register** on May 9, 2001 (66 FR 23731).

The initial TAA and NAFTA-TAA petition investigations for workers at Eastern Fine Paper, Brewer, Maine (TA-W-38,439 & NAFTA-4365) were denied based on the finding that the subject firm sales and production increased during the relevant period.

The company provided additional information depicting increases in production. They also provided a sales list of customers.

On reconsideration, the Department conducted a survey of the subject firm's customers regarding their purchases of high capacity papers for commercial printing, sheets and rolls during 1999, 2000 and January through March 2001. The survey revealed a major customer increased their reliance on imported (including Canada and/or Mexico) paper like or directly competitive with what the subject plant produced, while decreasing their purchases from the subject plant during the relevant period.

#### Conclusion

After careful review of the additional facts obtained on reconsideration, I conclude that increased imports of articles like or directly competitive with high capacity papers for commercial

printing, sheets and rolls, contributed importantly to the decline in sales or production and to the total or partial separation of workers of Eastern Fine Paper, Brewer, Maine. In accordance with the provisions of the Act, I make the following revised determination:

"All workers of Eastern Fine Paper, Brewer, Maine (TA-W38,439 who became totally or partially separated from employment on or after December 5, 1999, through two years from the date of this issuance, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974" and

"All workers of Eastern Fine Paper, Brewer, Maine (NAFTA-TAA-4365 who became totally or partially separated from employment on or after December 5, 1999, through two years from the date of this issuance, are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974"

Signed in Washington, DC, this 10th day of April 2002.

#### Notice of Determinations Regarding Eligibility To Apply for Worker Adjustment Assistance and NAFTA Traditional Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974, as amended, the Department of Labor herein presents summaries of determinations regarding eligibility to apply for trade adjustment assistance for workers (TA-W) issued during the period of April, 2002.

In order for an affirmative determination to be made and a certification of eligibility to apply for worker adjustment assistance to be issued, each of the group eligibility requirements of section 222 of the Act must be met.

(1) that a significant number or proportion of the workers in the workers' firm, or an appropriate subdivision thereof, have become totally or partially separated,

(2) that sales or production, or both, of the firm or subdivision have decreased absolutely, and

(3) that increases of imports of articles like or directly competitive with articles produced by the firm or appropriate subdivision have contributed importantly to the separations, or threat thereof, and to the absolute decline in sales or production.

### Negative Determinations for Worker Adjustment Assistance

In each of the following cases the investigation revealed that criterion (3) has not been met. A survey of customers indicated that increased imports did not contribute importantly to worker separations at the firm.

TA-W-40,914; Harsco Track

*Technologies, Luddington, MI*

TA-W-40,742; Huhtamaki Foodservice, Inc., FSB, Waterville, ME
