j. *Description of Application:* The Applicants seek after-the-fact Commission approval to transfer the licenses for the projects listed in item e. from Potomac Edison to Green Valley. The Applicants applied under Part II of the FPA for Commission approval to transfer most of the jurisdictional facilities associated with the projects, received that approval on June 30, 2000, and the facilities and lands were transferred from Potomac Edison to Green Valley on June 1, 2001. However, the application states that, through inadvertence, an application to transfer the licenses for the projects was not filed.
