Officials from the City of Portland and the Mount Hood National Forest prepared this new Agreement between the City and the Forest Service to identify preferred administrative arrangements for their joint management of the Bull Run Watershed Management Unit. The purpose and hope of the Agreement is to document a new and more relevant relationship between the City and the Forest Service for the long-term stewardship of the Bull Run Watershed Management Unit that is built on a firm foundation of citizen involvement.

The final Agreement was approved on December 17, 2007. In completing the Agreement, the Forest and the City responded to comments received during the comment period and also jointly prepared a Report to the Community. This Report discussed the history and background of discussions that led to the new agreement. This Report is also available on both of the Web sites listed above. The Agency officials are Gary Larsen, Forest Supervisor, Mt. Hood National Forest for the Forest Service, and the City official is Randy Leonard, Commissioner-in-Charge, City of Portland Water Bureau for the City of Portland.
