Substance Abuse and Mental Health Services Administration

Fiscal Year (FY) 2024 Funding Opportunity

AGENCY: Substance Abuse and Mental Health Services Administration, Department of Health and Human Services (HHS).

ACTION: Notice of intent to award a single source cooperative agreement to the Community-Based, Advocacy-Focused, Data-Driven, Coalition-Building Association (CADCA).

SUMMARY: This notice is to inform the public that the Substance Abuse and Mental Health Services Administration (SAMHSA) intends to award up to \$675,000 per year for up to five (5) years to the Community-Based, Advocacy-Focused, Data-Driven, Coalition-Building Association (CADCA). The purpose of the award is to leverage existing resources to expand SAMHSA's scope and prevention capacity; provide training and technical assistance to state and community prevention leaders, including members of anti-drug community coalitions from around the country who are committed to addressing the evolving needs of the behavioral health field; and to promote prevention workforce development. The training and workforce development activities supported through this cooperative agreement include SAMHSA's Prevention Day and SAMHSA's participation in the annual National Leadership Forum, the annual Mid-Year Training Institute of CADCA, and developing youth leaders across the three conferences/events listed above.

FOR FURTHER INFORMATION CONTACT: David Lamont Wilson, Public Health Analyst, Substance Abuse and Mental Health Services Administration, 5600 Fishers Lane, Rockville, MD 20857, telephone 240-276-2588; email: david.wilson@samhsa.hhs.gov.

SUPPLEMENTARY INFORMATION:

Funding Opportunity Title: FY 2024 National Anti-Drug Coalitions Training and Workforce Development Cooperative Agreement (Short Title: Coalitions Training Cooperative Agreement), Notice of Funding Opportunity SP-24-003.

Assistance Listing Number: 93.243.

Authority: The Coalitions Training Cooperative Agreement is authorized under sections 509, 516 and 520A of the Public Health Service Act, as amended.

Justification: Eligibility for this funding is limited to CADCA. CADCA is

the only national organization that provides training and technical assistance annually through a national leadership conference for thousands of members of community coalitions dedicated to preventing substance use. CADCA is currently the sole organization that plays a major role in helping to strengthen and develop the nation's prevention infrastructure of anti-drug coalitions in support of ongoing activities funded by SAMHSA's priority prevention grant programs. It is the only identified organization that currently meets this experience level to successfully implement this grant and has a national reach to over 5,000 identified anti-drug coalitions across the country. This is not a formal request for application. Funding will only be provided to CADCA based on the receipt of a satisfactory application and associated budget that is approved by a review group.

Dated: March 20, 2024.

Written comments and suggestions from the public and affected agencies should address one or more of the following four points: (1) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) suggestions to enhance the quality, utility, and clarity of the information to be collected; and (4) suggestions to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses. The comments that are submitted will be summarized and included in the request for approval. All comments will become a matter of public record.

Overview of This Information Collection

Title: Entry Summary.

OMB Number: 1651-0022.

Form Number: 7501.

Current Actions: Revision.

Type of Review: Revision.

Affected Public: Importer, importer's agent for each import transaction.

Abstract: CBP Form 7501, *Entry Summary*, is used to identify merchandise entering the commerce of the United States, and to document the amount of duty and/or tax paid. CBP Form 7501 is submitted by the importer, or the importer's agent, for each import transaction. The data on this form is used by CBP as a record of the import transaction; to collect the proper duty, taxes, certifications, and enforcement information; and to provide data to the U.S. Census Bureau for statistical purposes. CBP Form 7501 must be filed within 10 working days from the time of entry of merchandise into the United States. Collection of the data on this form is authorized by 19 U.S.C. 1484 and provided for by 19 CFR 141.61 and 19 CFR 142.11. CBP Form 7501 and accompanying instructions can be found at: https://www.cbp.gov/newsroom/publications/forms?title_1=7501.

New Change

CBP is proposing to add the following required data fields to Form 7501:

- For certain Harmonized Tariff Schedule (HTS) classifications of steel imports, the country where the steel used in the manufacture of the product was melted and poured; the country where the steel used in the manufacture of the product was melted and poured applies to the original location where the raw steel is first produced in a steel-making furnace in a liquid state; and then poured into its first solid shape.

- For certain HTS classifications of aluminum imports, the countries where the largest and second largest volume of primary aluminum used in the manufacture of the imported aluminum product was smelted; and the country where the aluminum used in the imported aluminum product was most recently cast. The fields requiring identification of the countries where the largest volume of primary aluminum used in the manufacture of the product was smelted applies to the country where the largest volume of new aluminum metal is produced from alumina (or aluminum oxide) by the electrolytic Hall-Héroult process. Importers may be required to report if primary aluminum from specific countries is used in the imported
