SUPPLEMENTARY INFORMATION: This ICR seeks to revise PRA authority for the Report on Occupational Employment and Wages information collection. The Occupational Employment Statistics (OES) survey is a Federal/State establishment survey of wage and salary workers designed to produce data on current detailed occupational employment and wages for each Metropolitan Statistical Area and Metropolitan Division as well as by detailed industry classification. OES survey data assist in the development of employment and training programs established by the Perkins Vocational Education Act of 1998 and the Wagner-Peyser Act. The OES program operates a periodic mail survey of a sample of non-farm establishments conducted by all fifty States, the District of Columbia, Guam, Puerto Rico, and the U.S. Virgin Islands. Over three-year periods, data on occupational employment and wages are collected by industry at the four and five-digit North American Industry Classification System (NAICS) levels. The Department of Labor uses OES data in the administration of the Foreign Labor Certification process under the Immigration Act of 1990.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB under the PRA approves it and displays a currently valid OMB Control Number.

In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1220–0042.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on March 31, 2020. The DOL seeks to revise PRA authorization for this information collection for three (3) more years. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on October 23, 2019 (84 FR 56843).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty-(30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1220–0042. The OMB is particularly interested in comments that:
