U.S. Immigration and Customs Enforcement

[Docket No. ICEB-2022-0007]

RIN 1653-ZA27

Employment Authorization for Afghan F-1 Nonimmigrant Students Experiencing Severe Economic Hardship as a Direct Result of the Current Situation in Afghanistan

AGENCY: U.S. Immigration and Customs Enforcement, Department of Homeland Security.

ACTION: Notice.

SUMMARY: This notice announces that the Secretary of Homeland Security (Secretary) is suspending certain regulatory requirements for F-1 nonimmigrant students whose country of citizenship is Afghanistan, regardless of country of birth (or individuals having no nationality who last habitually resided in Afghanistan), and who are experiencing severe economic hardship as a direct result of the current situation in Afghanistan. The Secretary is taking action to provide relief to these lawful F-1 nonimmigrant students so the students may request employment authorization, work an increased number of hours while their academic institution is in session, and reduce their course load while continuing to maintain their F-1 nonimmigrant student status. The U.S. Department of Homeland Security (DHS) will deem an F-1 nonimmigrant student who receives employment authorization by means of this notice to be engaged in a “full course of study” for the duration of the employment authorization, if the nonimmigrant student satisfies the minimum course load requirement described in this notice.

DATES: This F-1 notice is effective May 20, 2022, through November 20, 2023.

FOR FURTHER INFORMATION CONTACT: Sharon Snyder, Unit Chief, Policy and Response Unit, Student and Exchange Visitor Program, MS 5600, U.S.

Immigration and Customs Enforcement, 500 12th Street SW, Washington, DC 20536-5600; email: sevp@ice.dhs.gov, telephone: (703) 603-3400. This is not a toll-free number. Program information can be found at <https://www.ice.gov/sevis/>.

SUPPLEMENTARY INFORMATION:

What action is DHS taking under this notice?

The Secretary is exercising authority under 8 CFR 214.2(f)(9) to temporarily suspend the applicability of certain requirements governing on-campus and off-campus employment for F-1 nonimmigrant students whose country of citizenship is Afghanistan, regardless of country of birth (or individuals having no nationality who last habitually resided in Afghanistan), who are present in the United States in lawful F-1 nonimmigrant student status on the date of publication of this notice, and who are experiencing severe economic hardship as a direct result of the current situation in Afghanistan. Effective with this publication, suspension of the employment limitations is available through November 20, 2023, for those who are in lawful F-1 nonimmigrant status. DHS will deem an F-1 nonimmigrant student granted employment authorization through this notice to be engaged in a “full course of study” for the duration of the employment authorization, if the student satisfies the minimum course load set forth in this notice.¹ See 8 CFR 214.2(f)(6)(i)(F).

Who is covered by this notice?

This notice applies exclusively to F-1 nonimmigrant students who meet all of the following conditions:

(1) Are citizens of Afghanistan regardless of country of birth (or individuals having no nationality who last habitually resided in Afghanistan);

¹ Because the suspension of requirements under this notice applies throughout an academic term during which the suspension is in effect, DHS considers an F-1 nonimmigrant student who engages in a reduced course load or employment (or both) after this notice is effective to be engaging in a “full course of study,” see 8 CFR 214.2(f)(6), and eligible for employment authorization, through the end of any academic term for which such student is matriculated as of November 20, 2023, provided the student satisfies the minimum course load requirements in this notice. DHS also considers students who engage in online coursework pursuant to U.S. Immigration and Customs Enforcement (ICE) coronavirus disease 2019 (COVID-19) guidance for nonimmigrant students to be in compliance with regulations while such guidance remains in effect. See ICE Guidance and Frequently Asked Questions on COVID-19, Nonimmigrant Students & SEVP-Certified Schools: Frequently Asked Questions, <https://www.ice.gov/coronavirus> (last visited May 2, 2022).

(2) Were lawfully present in the United States in F-1 nonimmigrant status under section 101(a)(15)(F)(i) of the Immigration and Nationality Act (INA), 8 U.S.C. 1101(a)(15)(F)(i) on the date of publication of this notice;

(3) Are enrolled in an academic institution that is Student and Exchange Visitor Program (SEVP)-certified for enrollment for F-1 nonimmigrant students;

(4) Are maintaining F-1 nonimmigrant status; and

(5) Are experiencing severe economic hardship as a direct result of the current situation in Afghanistan.

This notice applies to F-1 nonimmigrant students in an approved private school in kindergarten through grade 12, public school in grades 9 through 12, and undergraduate and graduate education. An F-1 nonimmigrant student covered by this notice who transfers to another SEVP-certified academic institution remains eligible for the relief provided by means of this notice.

Why is DHS taking this action?

DHS is taking action to provide relief to Afghan F-1 nonimmigrant students experiencing severe economic hardship due to the current situation in Afghanistan. DHS has reviewed country conditions in Afghanistan and based on that review and input from the U.S. Department of State (DOS), DHS is taking action to allow eligible F-1 nonimmigrant students from Afghanistan to request employment authorization, work an increased number of hours while school is in session, and reduce their course load while continuing to maintain F-1 nonimmigrant student status.

DHS has determined that the current situation in Afghanistan s the need for Special Student Relief. On April 18, 2022, DOS issued a Level 4: Do Not Travel advisory about travel to Afghanistan because of civil unrest, armed conflict, crime, terrorism, and kidnapping.² General instability in the country, including instability caused by deep economic challenges, increases the difficulty of establishing security and thwarting the rise of further violent extremism.³ Internal displacement is rising. As of January 15, 2022, the United Nations High Commissioner for
