

fireworks launch site located on a barge in position 44°46'12" N, 085°37'06" W [DATUM: NAD 83].

(ii) *Enforcement Period.* Each year on the second Saturday of July from 9 p.m. until 11 p.m.

(17) *Charlevoix Venetian Festival Friday Night Fireworks; Charlevoix, MI:*

(i) *Location.* All U.S. navigable waters of Lake Charlevoix, in the vicinity of Depot Beach, within the arc of a circle with a 1000-foot radius from the fireworks launch site located on a barge in position 45°19'08" N, 085°14'18" W [DATUM: NAD 83].

(ii) *Enforcement Period.* Each year on Friday of the fourth weekend of July from 9 p.m. until 11 p.m.

(18) *Charlevoix Venetian Festival Saturday Night Fireworks; Charlevoix, MI:*

(i) *Location.* All U.S. navigable waters of Round Lake within the arc of a circle with a 300-foot radius from the fireworks launch site located on a barge in position 45°19'03" N, 085°15'18" W [DATUM: NAD 83].

(ii) *Enforcement Period.* Each year on Saturday of the fourth weekend of July from 9 p.m. until 11 p.m.

(19) *Elk Rapids Harbor Days Fireworks; Elk Rapids, MI:*

(i) *Location.* All U.S. navigable waters of Grand Traverse Bay, in the vicinity of Edward G. Grace Memorial Park, within the arc of a circle with a 1000-foot radius from the fireworks launch site located in position 44°53'58" N, 085°25'04" W [DATUM: NAD 83].

(ii) *Enforcement Period.* Each year on the first Saturday of August from 9 p.m. until 11 p.m.

(20) *Alpena Fourth of July Celebration Fireworks; Alpena, MI:*

(i) *Location.* All U.S. navigable waters of Lake Huron within an 800-foot radius of the fireworks launch site located near the end of Mason Street, South of State Avenue, at position 45°02'42" N, 083°26'48" W (NAD 83).

(ii) *Enforcement Period.* This safety zone will be enforced each year on July 4 from 9 p.m. until 11 p.m. If the July 4 fireworks are cancelled due to inclement weather, then this section will be enforced July 5 from 9 p.m. until 11 p.m.

(b) *Definitions.* The following definitions apply to this section:

Designated representative means any Coast Guard commissioned, warrant, or petty officer designated by the Captain of the Port Sault Sainte Marie to monitor these safety zones, permit entry into these safety zones, give legally enforceable orders to persons or vessels within these safety zones, or take other actions authorized by the Captain of the Port Sault Sainte Marie.

Public vessel means a vessel owned, chartered, or operated by the United States or by a State or political subdivision thereof.

(c) *Regulations.* (1) In accordance with the general regulations in § 165.23 of this part, entry into, transiting, or anchoring within any of the safety zones listed in this section is prohibited unless authorized by the Captain of the Port Sault Sainte Marie, or a designated representative.

(2) All persons and vessels must comply with the instructions of the Coast Guard Captain of the Port Sault Sainte Marie or a designated representative. Upon being hailed by the U.S. Coast Guard by siren, radio, flashing light or other means, the operator of a vessel shall proceed as directed.

(3) When a safety zone established by this section is being enforced, all vessels must obtain permission from the Captain of the Port Sault Sainte Marie or a designated representative to enter, move within, or exit that safety zone. Vessels and persons granted permission to enter the safety zone shall obey all lawful orders or directions of the Captain of the Port Sault Sainte Marie or a designated representative. While within a safety zone, all vessels shall operate at the minimum speed necessary to maintain a safe course.

(d) *Suspension of Enforcement.* If the event concludes earlier than scheduled, the Captain of the Port Sault Sainte Marie or a designated representative will issue a Broadcast Notice to Mariners notifying the public that enforcement of the respective safety zone is suspended.

(e) *Exemption.* Public vessels, as defined in paragraph (b) of this section, are exempt from the requirements in this section.

(f) *Waiver.* For any vessel, the Captain of the Port Sault Sainte Marie or a designated representative may, at his or her discretion, waive any of the requirements of this section, upon finding that circumstances are such that application of this section is unnecessary or impractical for the purposes of safety or environmental safety.

Dated: May 17, 2011.

G.J. Paitl,

Commander, U.S. Coast Guard, Acting Captain of the Port, Sector Sault Sainte Marie.

Coast Guard

33 CFR Part 165

[Docket No. USCG-2011-0384]

RIN 1625-AA00

Safety Zone; Temporary Change to Enforcement Location of Recurring Fireworks Display Event, Currituck Sound; Corolla, NC

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is temporarily changing the enforcement location of a safety zone for one specific recurring fireworks display in the Fifth Coast Guard District. This regulation applies to only one recurring fireworks event, held adjacent to the Currituck Sound, Corolla, North Carolina. The fireworks display formerly originated from a barge but will this year originate from a location on land. The safety zone is necessary to provide for the safety of life on navigable waters during the event. This action is intended to restrict vessel traffic in a portion of the Currituck Sound, Corolla, NC, during the event.

DATES: In § 165.506, entry (d)14 is effective from 5:30 p.m. on July 4, 2011 until 1 a.m. on July 5, 2011. In § 165.506, Table to § 165.506, entry (d)5 is suspended from 5:30 p.m. on July 4, 2011 until 1 a.m. on July 5, 2011.

ADDRESSES: Documents indicated in this preamble as being available in the docket are part of docket USCG-2011-0384 and are available online by going to <http://www.regulations.gov>, inserting USCG-2011-0384 in the "Keyword" box, and then clicking "Search." They are also available for inspection or copying at the Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary rule, call or e-mail CWO3 Joseph M. Edge, Coast Guard Sector North Carolina, Coast Guard; telephone 252-247-4525, e-mail Joseph.M.Edge@uscg.mil. If you have questions on viewing the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION:

Regulatory Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because immediate action is needed to minimize potential danger to the public during the event. The potential dangers posed by fireworks displays conducted near the Currituck Sound with other vessel traffic makes a safety zone necessary to provide for the safety of participants, spectator craft and other vessels transiting the event area. For the safety concerns noted, it is in the public interest to have these regulations in effect during the event. The Coast Guard will issue broadcast notice to mariners to advise vessel operators of navigational restrictions. On scene Coast Guard and local law enforcement vessels will also provide actual notice to mariners.

Background and Purpose

Recurring fireworks displays are frequently held on or adjacent to the navigable waters within the boundary of the Fifth Coast Guard District. For a description of the geographical area of each Coast Guard Sector—Captain of the Port Zone, please see 33 CFR 3.25.

The regulation listing annual fireworks displays within the Fifth Coast Guard District and their regulated locations is 33 CFR 165.506. A Table to § 165.506 identifies fireworks displays by COTP zone, with the COTP North Carolina zone listed in Portion "d" of the Table.

The township of Corolla, North Carolina, sponsors an annual fireworks display held on July 4th over the waters of Currituck Sound at Corolla, North Carolina. The Table to § 165.506, at Portion "d" event Number "5", established the enforcement date and regulated location for this fireworks event.

The location listed in the Table has the fireworks display originating from a fireworks barge on Currituck Sound. However, this temporary final rule changes the fireworks launch location on July 4, 2011, to a position on shore

at latitude 36°22'23.8" N, longitude 075°49'56.3" W.

A fleet of spectator vessels is anticipated to gather nearby to view the fireworks display. Due to the need for vessel control during the fireworks display vessel traffic will be temporarily restricted to provide for the safety of participants, spectators and transiting vessels. Under provisions of 33 CFR 165.506, during the enforcement period, vessels may not enter the regulated area unless they receive permission from the Coast Guard Patrol Commander.

Discussion of Rule

The Coast Guard will temporarily suspend the regulation listed in Table to § 165.506, at Portion "d" event Number "5", and will insert this new temporary regulation at Table to § 165.506, at Portion "d" as event Number "14", in order to reflect that the fireworks display will originate from a point on shore and therefore the regulated area is changed. This change is needed to accommodate the sponsor's event plan. No other portion of the Table to § 165.506 or other provisions in § 165.506 shall be affected by this regulation.

The regulated area of this safety zone includes all water of the Currituck Sound within a 300 yards radius of latitude 36°22'23.8" N, longitude 075°49'56.3" W.

This safety zone will restrict general navigation in the regulated area during the fireworks event. Except for persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the regulated area during the effective period. The regulated area is needed to control vessel traffic during the event to enhance the safety of participants and transiting vessels.

The enforcement period for this safety zone does not change from that enforcement period listed in § 165.506(d). Therefore, this safety zone will be enforced from 5:30 p.m. on July 4, 2011 through 1 a.m. on July 5, 2011.

In addition to notice in the **Federal Register**, the maritime community will be provided extensive advance notification via the Local Notice to Mariners, and marine information broadcasts so mariners can adjust their plans accordingly.

Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order.

This rule prevents traffic from transiting a portion of the Currituck Sound during the specified event, the effect of this regulation will not be significant due to the limited duration that the regulated area will be in effect and the extensive advance notifications that will be made to the maritime community via marine information broadcasts, local radio stations and area newspapers so mariners can adjust their plans accordingly. Additionally, this rulemaking changes the regulated area for the Currituck Sound fireworks demonstration for July 4, 2011 only and does not change the permanent regulated area that has been published in 33 CFR 165.506, Table to § 165.506 at portion "d" event Number "5". In some cases vessel traffic may be able to transit the regulated area when the Coast Guard Patrol Commander deems it is safe to do so.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule would affect the following entities, some of which might be small entities: the owners or operators of vessels intending to transit or anchor in the Currituck Sound where fireworks events are being held. This regulation will not have a significant impact on a substantial number of small entities because it will be enforced only during the fireworks display event that has been permitted by the Coast Guard Captain of the Port. The Captain of the Port will ensure that small entities are able to operate in the regulated area when it is safe to do so. In some cases, vessels will be able to safely transit around the regulated area at various

times, and, with the permission of the Patrol Commander, vessels may transit through the regulated area. Before the enforcement period, the Coast Guard will issue maritime advisories so mariners can adjust their plans accordingly.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we offer to assist small entities in understanding the rule so that they can better evaluate its effects on them and participate in the rulemaking process.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or Tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not affect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

This rule does not have Tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian Tribes, on the relationship between the Federal Government and Indian TRIBES, or on the distribution of power and responsibilities between the Federal Government and Indian Tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with

applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded this action is one of a category of actions which do not individually or cumulatively have a significant effect on the human environment. This rule is categorically excluded, under figure 2–1, paragraph (34)(g), of the Instruction. This rule establishes a safety zone. An environmental analysis checklist and a categorical exclusion determination are available in the docket where indicated under ADDRESSES.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

- 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6, 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

- 2. Amend § 165.506 as follows:

- a. From 5:30 p.m. on July 4, 2011 through 1 a.m. on July 5, 2011 in the Table to § 165.506, suspend entry (d)5.
- b. From 5:30 p.m. on July 4, 2011 through 1 a.m. on July 5, 2011, in the Table to § 165.506, add entry (d)14 to read as follows:

§ 165.506 Safety Zones; Fifth Coast Guard District Fireworks Displays.

* * * * *

Number	Date	Location	Regulated area
* * * * *			
(d) Coast Guard Sector North Carolina—COTP Zone			
* * * * *			
14	July 4, 2011	Currituck Sound, Corolla, NC, Safety Zone	All waters of the Currituck Sound within a 300 yard radius of the fireworks launch site in approximate position latitude 36°22'23.8" N, longitude 075°49'56.3" W, located near Whale Head Bay.

Dated: May 10, 2011.

A. Popiel,

Captain, U.S. Coast Guard, Captain of the Port Sector North Carolina.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket No. USCG-2011-0167]

RIN 1625-AA00

Safety Zone; 28th Annual Humboldt Bay Festival, Fireworks Display, Eureka, CA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone in support of the 28th Annual Humboldt Bay Festival Fireworks Display on the specified waters off the South end of Woodley Island in Eureka, California. This safety zone is established to ensure the safety of participants and spectators from the dangers associated with the pyrotechnics. Unauthorized persons or vessels are prohibited from entering into, transiting through, or remaining in the safety zone without permission of the Captain of the Port or her designated representative.

DATES: This rule is effective from 11:45 a.m. on July 3, 2011 until 10:45 p.m. on July 4, 2011.

ADDRESSES: Documents indicated in this preamble as being available in the docket are part of docket USCG-2010-0167 and are available online by going to <http://www.regulations.gov>, inserting USCG-2011-0167 in the "Keyword" box, and then clicking "Search." They are also available for inspection or copying at the Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590,

between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary rule, call ENS Liz Ellerson at (415) 399-7443, or e-mail D11-PF-MarineEvents@uscg.mil.

If you have questions on viewing the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone (202) 366-9826.

SUPPLEMENTARY INFORMATION:

Regulatory Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) because it would be impracticable to delay this rule because the event would occur before the rulemaking process would be completed. Because of the dangers posed by the pyrotechnics used in these fireworks displays, the immediate action is necessary to provide for the safety of event participants, spectators, spectator craft, and other vessels transiting the event area. For the safety concerns noted, it is in the public interest to have these regulations in effect during the event.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Any delay in the effective date of this rule would expose mariners to the dangers posed by the pyrotechnics used in the fireworks display.

Basis and Purpose

The City of Eureka will sponsor the 28th Annual Humboldt Bay Festival Fireworks Display. The fireworks display is for entertainment purposes.

This safety zone establishes a temporary restricted area on the waters 100 feet surrounding the fireworks loading, transit and launch sites, and extends the safety zone to 1,000 feet of the launch site during the fireworks display. This safety zone is necessary to protect spectators, vessels, and other property from the hazards associated with pyrotechnics on the fireworks barges. The Coast Guard has granted the event sponsor a marine event permit for the fireworks displays.

Discussion of Rule

The City of Eureka will sponsor the 28th Annual Humboldt Bay Festival Fireworks Display from 11:45 a.m. on July 3, 2011 until 10:45 p.m. on July 4, 2011, on the navigable waters of Humboldt Bay located 200 yards off the South end of Woodley Island in Eureka, California. From 12 p.m. until 8 p.m. on July 3, 2011, pyrotechnics will be loaded onto a barge at Schneider Pier. From 3 p.m. until 4 p.m. on July 4, 2011 the loaded barge will be transiting from Schneider Dock to the launch site located at position 40°48'35.30" N, 124°09'56.47" W (NAD 83). The temporary safety zone will extend 100 feet from the nearest point of the barge during the loading, transit, and arrival of the pyrotechnics from Schneider Pier to position 40°48'35.30" N, 124°09'56.47" W (NAD 83). The fireworks display will occur from 10 p.m. on July 4, 2011 until 10:25 p.m., during which the safety zone will extend 1,000 feet from the nearest point of the barge at position 40°48'35.30" N, 124°09'56.47" W (NAD 83). At 11 p.m. on July 4, 2011 the safety zone shall terminate.

The effect of the temporary safety zones will be to restrict navigation in the vicinity of the fireworks sites while the fireworks are set up, and until the conclusion of the scheduled displays. Except for persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the restricted area. These regulations are needed to keep spectators and vessels a safe distance away from the fireworks barges to ensure the safety of
