

record must include (a) the name of the customer, (b) the name, amount, and price of the security, and (c) the date and time when such transaction took place.

The Commission estimates that 481 respondents collect information related to approximately 400,000 transactions annually under Rule 15c1-7 and that each respondent would spend approximately 5 minutes on the collection of information for each transaction, for approximately 33,333 aggregate hours per year (approximately 69 hours per respondent).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

Proposed Collection; Comment Request

Extension: Rule 15c2-7, SEC File No. 270-420, OMB Control No. 3235-0479.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 15c2-7 places disclosure requirements on broker-dealers who have correspondent relationships, or agreements identified in the rule, with other broker-dealers. Whenever any such broker-dealer enters a quotation for a security through an inter-dealer quotation system, Rule 15c2-7 requires the broker-dealer to disclose these relationships and agreements in the manner required by the rule. The inter-dealer quotation system must also be able to make these disclosures public in association with the quotation the broker-dealer is making.

When Rule 15c2-7 was adopted in 1964, the information it requires was necessary for execution of the Commission's mandate under the Securities Exchange Act of 1934 to prevent fraudulent, manipulative and deceptive acts by broker-dealers. In the absence of the information collection required under Rule 15c2-7, investors and broker-dealers would have been unable to accurately determine the market depth of, and demand for, securities in an inter-dealer quotation system.

There are approximately 4,810 broker-dealers registered with the Commission. Any of these broker-dealers could be potential respondents for Rule 15c2-7, so the Commission is using that figure to represent the number of respondents. Rule 15c2-7 applies only to quotations entered into an inter-dealer quotation system, such as the OTC Bulletin Board ("OTCBB"), or OTC Link (formerly, "Pink Sheets"), operated by OTC Markets Group Inc. ("OTC Link"). According to representatives of both OTC Link and the OTCBB, neither entity has recently received, or anticipates receiving any Rule 15c2-7 notices. However, because such notices could be made, the Commission estimates that one filing is made annually pursuant to Rule 15c2-7.

Based on prior industry reports, the Commission estimates that the average time required to enter a disclosure pursuant to the rule is .75 minutes, or 45 seconds. The Commission sees no reason to change this estimate. We estimate that impacted respondents

spend a total of .0125 hours per year to comply with the requirements of Rule 15c2-7 (1 notice (x) 45 seconds/notice). Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

Please direct your written comments to: Thomas Bayer, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria, Virginia 22312 or send an e-mail to: PRA_Mailbox@sec.gov.
