Agency Information Collection Activities: Submission for OMB Review; Comment Request

ACTION: Notice.

SUMMARY: The Centers for Medicare & Medicaid Services (CMS) is announcing an opportunity for the public to comment on CMS’ intention to collect information from the public. Under the Paperwork Reduction Act of 1995 (PRA), federal agencies are required to publish notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, and to allow a second opportunity for public comment on the notice. Interested persons are invited to send comments regarding the burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency’s functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

DATES: Comments on the collection(s) of information must be received by the OMB desk officer by *November 4, 2015*.

ADDRESSES: When commenting on the proposed information collections, please reference the document identifier or OMB control number. To be assured consideration, comments and recommendations must be received by the OMB desk officer via one of the following transmissions: OMB, Office of Information and Regulatory Affairs, Attention: CMS Desk Officer, Fax Number: (202) 395-5806 or Email: OIRA_submission@omb.eop.gov.

To obtain copies of a supporting statement and any related forms for the proposed collection(s) summarized in this notice, you may make your request using one of following:

1. Access CMS’ Web site address at <http://www.cms.hhs.gov/PaperworkReductionActof1995>.
2. Email your request, including your address, phone number, OMB number, and CMS document identifier, to Paperwork@cms.hhs.gov.
3. Call the Reports Clearance Office at (410) 786-1326.

FOR FURTHER INFORMATION CONTACT: Reports Clearance Office at (410) 786-1326.

SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term “collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires federal agencies to publish a 30-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. *Type of Information Collection Request:* New collection (Request for a new OMB control number); *Title of Information Collection:* Off-cycle Submission of Summaries of Model of Care Changes; *Use:* All Medicare Advantage (MA) Special Needs Plans (SNPs) must be approved by the National Committee for Quality Assurance (NCQA). The SNPs must submit Models of Care (MOC) as a component of the Medicare Advantage application process. Approval is based

on NCQA's evaluation of SNPs using MOC scoring guidelines. Based on their scores, SNPs receive an approval for a period of 1-, 2-, or 3-years. We are developing an MOC off-cycle revision process so that SNPs can revise the MOC to modify its processes and strategies for providing care during their MOC approval period. We will require that SNPs submit summaries of their MOC revisions to CMS for NCQA evaluation when a SNP makes significant changes to its MOC as described in the annual Announcement of Medicare Capitation Rates and Medicare Advantage and Part D Payment Policies and Final Call letter for CY 2015 and CY2016. The NCQA will review the summary of changes to verify that the revisions are consistent with the acceptable, high quality standards as included in the original approved MOC. The package has been revised subsequent to the publication of the 60-day **Federal Register** notice (June 17, 2015; 80 FR 34647). *Form Number:* CMS-10565 (OMB control number 0938-New); *Frequency:* Occasionally; *Affected Public:* Private sector (Business or other for-profits and Not-for-profit institutions); *Number of Respondents:* 313; *Total Annual Responses:* 421; *Total Annual Hours:* 2,400. (For policy questions regarding this collection contact Susan Radke at 410-786-4450).
