

Final Results of Review

As a result of our review, we determine that the following weighted-average percentage margin exists for the period August 4, 2004, through July 31, 2005:

| Manufacturer/exporter | Margin (percent) |
|-----------------------|------------------|
| Studmark, S.A. | 9.20 |

Assessment

The Department shall determine, and the U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. In accordance with section 351.212(b)(1) of the Department's regulations, we have calculated importer-specific assessment rates by dividing the dumping margin found on the subject merchandise examined by the entered value of such merchandise. Where the importer-specific assessment rate is above *de minimis* we will instruct CBP to assess antidumping duties on that importer's entries of subject merchandise. The Department will issue appropriate assessment instructions directly to CBP within 15 days of publication of these final results of review.

Cash Deposit Requirements

The following cash deposit rates shall be required for merchandise subject to the order entered, or withdrawn from warehouse, for consumption on or after the publication date of these final results for this new shipper review, as provided for by section 751(a)(1) and 751(a)(2)(C) of the Tariff Act of 1930, as amended (the Act): (1) The cash deposit rate for Studmark (*i.e.*, for subject merchandise both manufactured and exported by Studmark) will be 9.20 percent; (2) the cash deposit rate for exporters who received a rate in a prior segment of the proceeding will continue to be the rate assigned in that segment of the proceeding; (3) the cash deposit rate for entries of subject merchandise exported by Studmark but not manufactured by Studmark will continue to be the "All Others" rate (*i.e.*, 3.58 percent) or the rate applicable to the manufacturer, if so established; and (4) if neither the exporter nor the producer is a firm covered in this review or a prior segment of the proceeding, the cash deposit rate will be 3.58 percent, the "All Others" rate established in the LTFV investigation. These deposit requirements shall remain in effect until publication of the final results of the next administrative review. There are no changes to the

rates applicable to any other companies under this antidumping duty order.

This notice also serves as a final reminder to importers of their responsibility under section 351.402(f) of the Department's regulations to file a certificate regarding the reimbursement of antidumping and countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping and countervailing duties occurred, and in the subsequent assessment of antidumping duties increased by the amount of antidumping and/or countervailing duties reimbursed.

This notice also is the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return/destruction or conversion to judicial protective order of proprietary information disclosed under APO in accordance with section 351.305(a)(3) of the Department's regulations. Failure to comply is a violation of the APO.

This determination is issued and published in accordance with sections 751(a) and 777(i)(1) of the Act.

Dated: September 13, 2006.

David M. Spooner,

Assistant Secretary for Import Administration.

Certain Frozen Warmwater Shrimp from the People's Republic of China: Extension of Time Limit for Final Results of the 2004/2005 Antidumping Duty New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: September 20, 2006.

FOR FURTHER INFORMATION CONTACT: Javier Barrientos, AD/CVD Operations, Office 9, Import Administration, International Trade Administration,

U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-2243.

Background

On June 27, 2006, the Department of Commerce ("the Department") issued the preliminary results of this new shipper review. *See Certain Frozen Warmwater Shrimp from the People's Republic of China: Preliminary Results of the Antidumping Duty New Shipper Review*, 71 FR 38368 (July 6, 2006) ("Preliminary Results").

Extension of Time Limits for Final Results

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(i)(1) require the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated and final results of a review within 90 days after the date on which the preliminary results were issued. The Department may, however, extend the deadline for completion of the final results of a new shipper review to 150 days if it determines that the case is extraordinarily complicated. See section 751(a)(2)(B)(iv) of the Act, and 19 CFR 351.214(i)(2).

In order to allow parties additional time to submit comments regarding the Department's *Preliminary Results*, the Department extended the deadline for the submission of case and rebuttal briefs by 48 days. As a result of the extensions and the extraordinarily complicated issues raised in this review segment, including surrogate valuation and bona fides issues, it is not practicable to complete this new shipper review within the current time limit. Accordingly, the Department is extending the time limit for the completion of the final results by 60 days until November 24, 2006, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2).

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: September 13, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.
