### Department of the Army

[Docket ID: USA–2023–HQ–0014]

### Proposed Collection; Comment Request

**AGENCY:** U.S. Army Corps of Engineers (USACE), Department of the Army, Department of Defense (DoD).

**ACTION:** 60-Day information collection notice.

**SUMMARY:** In compliance with the *Paperwork Reduction Act of 1995*, the U.S. Army Corps of Engineers announces a proposed public information collection and seeks public comment on the provisions thereof. Comments are invited on: whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; the accuracy of the agency's estimate of the burden of the proposed information collection; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the

burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

**DATES:** Consideration will be given to all comments received by December 19, 2023.

**ADDRESSES:** You may submit comments, identified by docket number and title, by any of the following methods:

*Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments.

*Mail:* Department of Defense, Office of the Assistant to the Secretary of Defense for Privacy, Civil Liberties, and Transparency, 4800 Mark Center Drive, Mailbox #24, Suite 08D09, Alexandria, VA 22350–1700.

*Instructions:* All submissions received must include the agency name, docket number and title for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

**FOR FURTHER INFORMATION CONTACT:** To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to U.S. Army Corps of Engineers, 441 G Street NW, Washington, DC 20314–1000, ATTN: Ms. Kathryn Nevins, or call 703–428–6440.

### SUPPLEMENTARY INFORMATION:

*Title; Associated Form; and OMB Number:* Managed Aquifer Recharge Planning and Guidance Study; OMB Control Number 0710–MARP.

*Needs and Uses:* The survey will inform the development of a screening tool and other resources for USACE Districts to identify optimal sites for Managed Aquifer Recharge (MAR), which uses captured surface water to replenish groundwater. The Water Resources Development Act (WRDA) of 2016 provides authority for water supply conservation projects for drought resilience and water supply availability studies for water resources development (Sections 1116 and 1118, respectively). The WRDA of 2016 further requires USACE to consider natural and nature-based features, such as MAR, as potential solutions to address various challenges along with other measures. However, USACE has not developed a strategic framework for incorporating MAR into its operations. Furthermore,
