SECURITIES AND EXCHANGE COMMISSION

Issuer Delisting: Notice of Application to Withdraw From Listing and Registration on the New York Stock Exchange, Inc. (Bankers Trust Corporation and BT Alex. Brown Holdings Incorporated, 7½% Senior Notes (due 2005)) File No. 1-5920

March 22, 2002.

Bankers Trust Corporation and BT Alex. Brown Holdings Incorporated ("Issuer"), has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to section 12(d) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d) thereunder,² to withdraw its 7½% Senior Notes (due 2005) ("Security"), from listing and registration on the New York Stock

Exchange, Inc. ("NYSE" or "Exchange").

On January 24, 2002, and February 5, 2002, respectively, the Board of Directors of the Issuer adopted resolutions to terminate the NYSE listing of its Security. In June 1999, the Issuer was acquired by Deutsche Bank AG and the Issuer's common stock was terminated on the NYSE. The Issuer states that it wishes to reduce the administrative burden to former entities that are not actively engaged in customer business. In addition, as a part of the efforts of Deutsche Bank AG to promote a more uniform brand in the United States, the Issuer has proposed that the name of the Corporation be changed to Deutsche Bank Trust Corporation, effective on or about April 15, 2002. The Issuer states that withdrawal of the Security from listing and registration on the NYSE will not affect an investor's ability to trade in the over-the-counter market. The Security currently has a limited number of registered holders. The Issuer is not obligated by the terms of the indenture under which the Security was issued or by any other document to maintain a listing on the NYSE or any other exchange. The Company has stated that the NYSE does not intend to object to the withdrawal of the Security.

Any interested person may, on or before April 15, 2002, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609, facts bearing upon whether the application has been made in accordance with the rules of the NYSE and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.³

Issuer Delisting: Notice of Application to Withdraw From Listing and Registration From the American Stock Exchange LLC (Local Financial Corporation, 11% Senior Notes)

March 22, 2002.

Local Financial Corporation, a Delaware corporation ("Issuer"), has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to section 12(d) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d) thereunder,² to withdraw its 11% Senior Notes ("Security"), from listing and registration on the American Stock Exchange LLC ("Amex" or "Exchange").

The Issuer stated in its application that it has met the requirements of Amex Rule 18 by complying with all applicable laws in effect in the State of Delaware, in which it is incorporated, and with the Amex's rules governing an issuer's voluntary withdrawal of a security from listing and registration.

The Board of Trustees ("Board") of the Issuer unanimously approved a resolution on February 27, 2002 to withdraw the Issuer's Security from listing on the Amex. In making the decision to withdraw its Security from the Amex, the Board states that the Issuer has no continuing obligation to list the Security. The Issuer states that the Security is rarely traded and the Issuer has no record of any transaction occurring on the Amex since the original listing of the Security in April 1998. In addition, the Issuer wishes to reduce the cost of continuing to list the Security and has other securities outstanding which obligate it to continue filing its reports with the Commission. The Issuer's application relates solely to the withdrawal of the Security from listing and registration under section 12(b) of the Act³ and shall not affect its obligation to be registered under section 12(g) of the Act.⁴

Any interested person may, on or before April 15, 2002, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609, facts bearing upon whether the application has been made in accordance with the rules of the Amex and what terms, if any, should be imposed by the

American Electric Power Company Inc., et al. (70-10057)

American Electric Power Company Inc. ("AEP"), a registered holding

company, and its twelve electric utility subsidiary companies, AEP Generating Company ("Generating"), Appalachian Power Company ("Appalachian"), Central Power and Light Company ("Central"), Columbus Southern Power Company ("Columbus"), Indiana Michigan Power Company ("Indiana"), Kentucky Power Company ("Kentucky"), Kingsport Power Company ("Kingsport"), Ohio Power Company ("Ohio"), Public Service Company of Oklahoma ("Oklahoma"), Southwestern Electric Power Company ("Southwestern"), West Texas Utilities Company ("West Texas"), and Wheeling Power Company ("Wheeling"), all located at 1 Riverside Plaza, Columbus, Ohio, 43215, (collectively, "Applicants") have filed a declaration under section 12(d) of the Act and rule 44 under the Act.

Applicants request authority to sell certain utility assets, particularly substations, transmission and distribution lines and other utility assets that serve customers of the Applicants as well as poles that will be transferred as part of joint use agreements. By previous order dated December 31, 1996 (HCAR No. 26622), AEP's electric utility subsidiaries were authorized to sell utility assets for consideration of up to \$5 million per operating subsidiary per calendar year. This authority was granted through December 31, 2001. Applicants now request authority for the twelve utility subsidiaries to sell utility assets for consideration up to \$15 million per operating company per calendar year ("Authorized Amount") through September 30, 2006 ("Authorization Period"). As the electric utility industry makes its transition to a more competitive environment, Texas has adopted measures requiring restructuring of utilities. In response to requests of customers and as mandated by the Public Utility Commission of Texas, AEP is required to transfer substations and transmission and distribution lines or other utility assets that serve the customer, if so requested by the customer, to that customer or to potential customers. In addition, AEP will be involved in routine transfers of poles to joint users.

Applicants request that they and any affiliated public utility company succeeding to the utility assets as part of restructuring of the AEP system required by restructuring of the electric power industry be permitted to transfer utility assets to customers and non-customers through the Authorization Period at not less than the net book value of the assets on the date of the sale. In the case of a lease, the lease payments will be valued over the term

of the lease and be counted against the Authorized Amount in the initial year of the lease. Proceeds for sales of the utility assets will be added to the general funds of the companies making the sales and will be used to pay the general obligations of the companies.
