Crescent Ridge LLC; Notice of Issuance of Order

May 23, 2003.

Crescent Ridge LLC (Crescent Ridge) filed an application for market-based rate authority, with an accompanying tariff. The proposed tariff provides for the sale of capacity and energy at market-based rates. Crescent Ridge also requested waiver of various Commission regulations. In particular, Crescent Ridge requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by Crescent Ridge.

On September 6, 2002, pursuant to delegated authority, the Director, Division of Tariffs and Rates—Central, granted the request for blanket approval under part 34, subject to the following:

Any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Crescent Ridge should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is June 2, 2003.

Absent a request to be heard in opposition by the deadline above, Crescent Ridge is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Crescent Ridge, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be

adversely affected by continued approval of Crescent Ridge's issuances of securities or assumptions of liability.
