SUPPLEMENTARY INFORMATION: *Notice of filing.* The Commission hereby provides notice that on February 1, 2013, the Postal Service filed a Request pursuant

to 39 U.S.C. 3642 and 39 CFR 3020.30 *et seq.*, seeking to remove Confirm service from the market dominant product list in the Mail Classification Schedule.¹

Product description. Confirm service provides value to mailers by allowing them to receive raw processing scan data when identifying barcodes (Intelligent Mail or PLANET Code) are placed onto mailpieces. Request at 1. The scan data are used to estimate when mailpieces will be delivered to recipients, allowing mailers to utilize this information to coordinate additional outreach with the delivery of mailpieces. *Id.* at 1-2.

Since the scan data offered through Confirm service provides added value to mailers, the Postal Service has incorporated the scan data function into Intelligent Mail barcode (IMb) Tracing, which is available at no fee as part of the classes of mail containing letters and flats. *Id.* at 2. As a result, mailers will continue to have access to the scan data when they place an IMb on their mailpieces. *Id.* Since there is a no fee alternative and all Confirm service subscriptions expired on January 21, 2013, the Postal Service states that removal of Confirm service from the market dominant product list fulfills the applicable criteria of 39 U.S.C. 3642.

Public documents. The Request includes the following supporting publicly-available material:

- Attachment A—A copy of Governors' Resolution No. 12-09, adopted October 5, 2012, authorizing the Request;

- Attachment B—A Statement of Supporting Justification addressing applicable rule 3020.32 requirements; and

- Attachment C—The proposed revision to the Mail Classification Schedule.

Proceedings. The Commission establishes Docket No. MC2013-38 for consideration of the instant Request. The Postal Service's Request can be accessed via the Commission's Web site (<http://www.prc.gov>).

SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-149, OMB Control No. 3235-0130]

Submission for OMB Review; Comment Request

Upon Written Request Copies Available

From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 17Ad-2(c), (d), and (h).

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) ("PRA"), the Securities and Exchange Commission (Commission) has submitted to the Office of Management and Budget ("OMB") a request for approval of extension of the previously approved collection of information provided for in Rule 17Ad-2(c), (d), and (h), (17 CFR 240.17Ad-2(c), (d), and (h)), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Rule 17Ad-2(c), (d) and (h) enumerates the requirements with which registered transfer agents must comply to inform the Commission or the appropriate regulator of a transfer agent's failure to meet the minimum performance standards set by the Commission rule by filing a notice.

While it is estimated there are 477 registered transfer agents, approximately 116 of these transfer agents qualify as small entities under Exchange Act Rule 0.10, 17 CFR 240.0.10 and are thereby exempted from Rule 17Ad-2(c), (d), and (h), leaving approximately 361 transfer agents subject to the rule. Each of these transfer agents annually files about five notices pursuant to Rule 17Ad-2(c), (d), and (h), for an industry-wide total of 1,805 notices per year (361 × 5). The estimated annual cost of these filings to respondents is minimal in view of: (a) the readily available nature of most of the information required to be included in the notice (since that information must be compiled and retained pursuant to other Commission rules); and (b) the summary fashion in which such information must be presented in the notice (most notices are one page or less in length). In light of the above, and based on the experience of the staff regarding the notices, the Commission

staff estimates that, on average, most notices require approximately one-half hour to prepare. Thus, the Commission staff estimates that each transfer agent subject to the rule spends an average of two and a half hours per year complying with the rule for an industry-wide total of 902.5 hours per year (361 × 2.5).

The retention period for the recordkeeping requirement under Rule 17Ad-2(c), (d), and (h) is not less than two years following the date the notice is submitted. The recordkeeping requirement under this rule is mandatory to assist the Commission in monitoring transfer agents who fail to meet the minimum performance standards set by the Commission rule. This rule does not involve the collection of confidential information. A transfer agent is not required to file under the rule unless it does not meet the minimum performance standards for turnaround, processing or forwarding items received for transfer during a month.

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

Background documentation for this information collection may be viewed at the following Web site:

www.reginfo.gov. Comments should be directed to: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503, or by sending an email to: Shagufta_Ahmed@omb.eop.gov; and (ii) Thomas Bayer, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria, VA 22312 or send an email to: PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

Dated: February 5, 2013.

Deputy Secretary.
