The seventeen Mentoring Children of Prisoners Programs will be responsible for reconnecting or establishing new mentoring relationships with evacuated children of incarcerated persons in their new communities. In addition to the seventeen Mentoring Children of Prisoners Programs being funded, the Family and Youth Services Bureau is funding eleven Training and Technical Assistance providers that will provide specialized technical assistance to the Mentoring Children of Prisoners Program grantees in their respective regions. The eleven Training and Technical Assistance Providers are well

positioned to assist the seventeen Mentoring Children of Prisoners Programs in identifying children of incarcerated persons who are new to a community, developing a plan to provide them with mentoring support and coordinating services with other programs, Federal staff and their contractors.

Administration for Children and Families

Head Start Bureau; Unsolicited Proposal on Gubernatorial Leadership for Early Care and Education

AGENCY: Head Start Bureau, Administration for Children and Families (ACF), Department of Health and Human Services (HHS).

ACTION: Award Announcement, 3 Year Unsolicited Application Project.

CFDA#: The Catalog of Federal Domestic Assistance (CFDA) number for this program is 93.600. The title is Unsolicited Proposal on Gubernatorial Leadership for Early Care and Education.

Legislative Authority: Grants to enhance collaboration efforts between Head Start and other early childhood providers are authorized by The Head Start Action (Pub. L. 05-285).

Amount of Award: \$600,000.

Project Period: 11/1/05-10/31/08.

Summary and Purpose: Notice is hereby given that the Head Start Bureau will award grant funds without competition to the National Governor's Association Center for Best Practices. The grant is an unsolicited service grant award that is within legislative authorities and that proposes activities that may be lawfully supported through grant mechanisms. This application is of merit, and the project will have significant impact on State efforts to design, implement, and improve early childhood systems of care and education.

The National Governor's Association Center for Best Practices proposes to

work with Governors to develop and implement new strategic early childhood plans in order to improve quality and coordination of early childhood care and education. The NGA Center will conduct an independent and confidential audit of existing early childhood efforts in four states, provide implementation recommendations to early childhood stakeholders, and publish and disseminate findings and recommendations to the broader policy community. The NGA Center has a history of work with Governors on special early childhood initiatives and has the capacity to take state coordination efforts to the highest level of policy and funding decision making. This unique approach will provide valuable information on effective strategies and improvements in quality and service delivery, yielding valuable information on early childhood investments for States and Federal programs.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Extramural Support Program for Reimbursement of Travel and Subsistence Expenses Incurred Toward Living Organ Donations

AGENCY: Health Resources and Services Administration (HRSA), HHS.

ACTION: Request for public comment.

SUMMARY: Congress has provided specific authority under section 377 of the Public Health Service (PHS) Act, 42 U.S.C. § 274f, as amended by Public Law 108-216 for providing reimbursement of travel and subsistence expenses for certain individuals donating their organs. Additionally, Congress has provided the Secretary the authority to provide reimbursement for other incidental non-medical expenses as the Secretary determines by regulation to be appropriate. The Health Resources and Services Administration is developing a demonstration program to fulfill this authority. In the first cycle,
