International Trade Administration

Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Advance Notification of Sunset Reviews

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

Background

Every five years, pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"), the Department of Commerce ("the Department") and the International Trade Commission automatically initiate and conduct a review to determine whether revocation of a countervailing or antidumping duty order or termination of an investigation suspended under section 704 or 734 of the Act would be likely to lead to continuation or recurrence of dumping or a countervailable subsidy (as the case may be) and of material injury.

Upcoming Sunset Reviews for December 2014

The following Sunset Reviews are scheduled for initiation in December 2014 and will appear in that month's Notice of Initiation of Five-Year Sunset Review ("Sunset Review"). With respect to the orders on Oil Country Tubular Goods, we have advanced the initiation date of certain Sunset Reviews upon determining that initiation of the Sunset Reviews for all of the Oil Country Tubular Goods orders on the same date would promote administrative efficiency.

Sugar From Mexico: Preliminary Determination of Sales at Less Than Fair Value and Postponement of Final Determination

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) preliminarily determines that sugar from Mexico is being, or is likely to be, sold in the United States at less than fair value (LTFV), as provided in section 733(b) of

the Tariff Act of 1930, as amended (the Act). The period of investigation is January 1, 2013, through December 31, 2013. The estimated weighted-average dumping margins of sales at LTFV are shown in the "Preliminary Determination" section of this notice. Interested parties are invited to comment on this preliminary determination. We intend to issue the final determination 135 days after publication of this preliminary determination in the **Federal Register**.

DATES: Effective on November 3, 2014.

FOR FURTHER INFORMATION CONTACT: David Lindgren, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-3870.

SUPPLEMENTARY INFORMATION:

Background

The Department published the notice of initiation of this investigation on April 24, 2014.¹ Pursuant to section 773(c)(1)(A) of the Act, the Department postponed this preliminary LTFV determination by a period of 50 days.²

Scope of the Investigation

The product covered by this investigation is sugar from Mexico. For a full description of the scope of the investigation, *see* Appendix I to this notice.³

Methodology

The Department conducted this investigation in accordance with section 731 of the Act. Export price (EP) has been calculated in accordance with section 772 of the Act. Normal value (NV) has been calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, *see* the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is made available

to the public via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS). IA ACCESS is available to registered users at <https://iaaccess.trade.gov> and to all parties in the Department's Central Records Unit, located at room 7046 of the Department's main building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed at <http://enforcement.trade.gov/frn/index.html>. The signed and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Preliminary Determination

In accordance with section 733(d)(1)(A)(i) of the Act, the Department calculated weighted-average dumping margins for the following individually investigated exporters and producers of subject merchandise: (1) Fondo de Empresas Expropiadas del Sector Azucarero (FEESA)⁴ and (2) Ingenio Tala S.A. de C.V. and certain affiliated companies of Grupo Azucarero Mexico S.A. de C.V. (collectively, the GAM Group).⁵ The Department preliminarily determines that the following weighted-average dumping margins exist for these individually investigated exporters and producers:

Exporter/producer	Weighted-average dumping margin (percent)
FEESA	39.54
Ingenio Tala S.A. de C.V. and certain affiliated sugar mills of Grupo Azucarero Mexico S.A. de C.V. (collectively, the GAM Group)	47.26
All-Others	40.76

Consistent with sections 733(d)(1)(A)(ii) and 735(c)(5) of the Act, the Department also calculated an estimated all-others rate for all exporters or producers not individually investigated. Section 735(c)(5)(A) of the Act provides that the estimated "all-others" rate shall be an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers

individually investigated, excluding any zero or *de minimis* margins, and any margins determined entirely under section 776 of the Act. Therefore, because the weighted-average dumping margins for FEESA and the GAM Group are not zero, *de minimis*, or determined entirely under section 776 of the Act, the Department has estimated the "all-others" rate in this preliminary determination by weight-averaging the weighted-average dumping margins calculated for FEESA and the GAM Group.

Verification

As provided in section 782(i)(1) of the Act, the Department intends to verify the information submitted by FEESA and the GAM Group prior to making a final determination in this investigation.

Disclosure and Public Comment

In accordance with 19 CFR 351.224(b), the Department intends to disclose the calculations performed in connection with this preliminary determination within five days of its public announcement. Interested parties may submit case and rebuttal briefs, as well as request a hearing.⁶ For a schedule of the deadlines for filing case briefs, rebuttal briefs, and hearing requests, *see* the Preliminary Decision Memorandum.

Suspension of Liquidation

In accordance with section 733(d)(2)(A) of the Act, we are directing U.S. Customs and Border Protection (CBP) to suspend liquidation of all entries of subject merchandise that are entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register**.

Pursuant to section 733(d)(1)(B) of the Act and 19 CFR 351.205(d), we will instruct CBP to require a cash deposit⁷ equal to the weighted-average amount by which NV exceeds EP, as indicated in the chart above, as follows: (1) The rate for FEESA, when adjusted for export subsidies, is 39.36 percent; (2) the rate for the GAM Group, when adjusted for export subsidies, is 47.09 percent; (3) if the exporter is not a firm identified in this investigation, but the producer is, then the rate will be the rate established for the producer of the subject merchandise; (4) the rate for all

other producers or exporters, when adjusted for export subsidies, will be 40.58 percent. These suspension of liquidation instructions will remain in effect until further notice.

Postponement of Final Determination and Extension of Provisional Measures

Pursuant to a request from FEESA and the GAM Group,⁸ we are postponing the final determination. Accordingly, we intend to make our final determination no later than 135 days after the date of publication of this preliminary determination in the **Federal Register**, pursuant to section 735(a)(2)(A) of the Act.⁹ Furthermore, FEESA and the GAM Group requested to extend the application of the provisional measures, as prescribed under section 733(d) of the Act and 19 CFR 351.210(e)(2), from a four-month period to a six-month period.¹⁰ The suspension of liquidation described above will be extended accordingly.¹¹

U.S. International Trade Commission Notification

In accordance with section 733(f) of the Act, we will notify the U.S. International Trade Commission (ITC) of our determination. For a discussion concerning the information that the Department will make available to the ITC and the statutory deadlines regarding a final determination to be issued by the ITC, see the Preliminary Decision Memorandum.

This determination is issued and published in accordance with sections 733(f) and 777(i)(1) of the Act.

Dated: October 24, 2014.

Assistant Secretary for Enforcement and Compliance.
