Notice of Final Federal Agency Actions on Grand Parkway (State Highway 99), Segments H and I–1, in Texas

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice of Limitation on Claims for Judicial Review of Actions by FHWA and Other Federal Agencies.

SUMMARY: This notice announces actions taken by the FHWA and other Federal agencies that are final within the meaning of 23 U.S.C. 139(l)(1). The actions relate to a proposed highway project, Grand Parkway (State Highway 99) Segments H and I–1, from US 59 (N)/I–69 to I–10 (E) in Montgomery, Harris, Liberty, and Chambers Counties, Texas. Those actions grant licenses, permits, and approvals for the project.

DATES: By this notice, the FHWA is advising the public of final agency actions subject to 23 U.S.C. 139(l)(1). A claim seeking judicial review of the Federal agency actions on the highway project will be barred unless the claim is filed on or before December 22, 2014. If the Federal law that authorizes judicial review of a claim provides a time period of less than 150 days for filing such claim, then that shorter time period still applies.

SUPPLEMENTARY INFORMATION: Notice is hereby given that the FHWA and other Federal agencies have taken final agency actions by issuing licenses, permits, and approvals for the following highway project in the State of Texas: Grand Parkway (State Highway 99) Segments H and I–1 from US 59 (N)/I–69 to I–10 (E) in Montgomery, Harris, Liberty, and Chambers Counties. The project will be a 37.4 mile- long, four-lane controlled access toll road. The project will begin at US 59 (N)/I–69 in Montgomery County and then proceeds east/southeast through Harris and Liberty Counties, ending at I–10 (E) in Chambers County. There are proposed grade separated interchanges with access ramps at nine locations. Overpasses with no access to the cross-streets are proposed at eight locations. Preliminary design proposes continuous frontage roads where Segment H parallels FM 1485. This section will be reconstructed in a frontage road configuration for overall improved traffic operations. The purpose of the project is to efficiently link the suburban communities and major roadways, enhance mobility and safety, and respond to economic growth.

The actions by the Federal agencies, and the laws under which such actions were taken, are described in the Final Environmental Impact Statement (FEIS) for the project, approved on April 8, 2014, in the FHWA Record of Decision (ROD) issued on June 24, 2014, and in other documents in the FHWA administrative record. The FEIS, ROD, and other documents in the FHWA administrative record file are available by contacting FHWA or TxDOT at the addresses provided above.
