SUPPLEMENTARY INFORMATION: By notice dated March 9, 2015, and published in the **Federal Register** on March 24, 2015, 80 FR 15632, Patheon Pharmaceuticals, Inc., 2110 E. Galbraith Road, Cincinnati, Ohio 45237 applied to be registered as a manufacturer of a certain basic class of controlled substance. No comments or objections were submitted for this notice.

The DEA has considered the factors in 21 U.S.C. 823(a) and determined that the registration of Patheon Pharmaceuticals, Inc. to manufacture the basic class of controlled substance is consistent with the public interest and with United States obligations under international treaties, conventions, or protocols in effect on May 1, 1971. SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the Application for a Farm Labor Contractor or Farm Labor Contractor Employee Certificate of Registration information collection. Migrant and Seasonal Agricultural Worker Protection Act (MSPA) section 101 provides that no individual may perform farm labor contracting activities without a certificate of registration. See 29 U.S.C. 1811. Form WH-530 is the application form that provides the DOL with the information necessary to issue certificates specifying the farm labor contracting activities authorized. In addition, certain vehicle and safety standards are required of a farm labor contractor applicant and such data is collected via forms WH-514, WH-514a, and WH-515. This information collection has been classified as a revision, because DOL proposes to implement minor changes to Forms WH-514, WH-514a, WH-515 and WH-530. Most of the alterations are to make the forms clearer for the regulated community and to highlight certain instructions. MSPA sections 102, 105, and 511 authorize this information collection. See 29 U.S.C. 1812, 1815, and 1861.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not
