This notice provides a waiver and sets forth an updated implementation schedule for application of the BAP to HUD FFA. HUD is also announcing its BAP implementation schedule for all HUD FFA used to purchase iron or steel products in infrastructure projects in HUD programs, other than the CDBG formula grants addressed in the November 23, 2022, waiver. HUD is also announcing its BAP implementation schedule for the purchase of four specifically-listed construction materials: non-ferrous metals; lumber; composite building materials; and plastic and polymer-based pipe and tube (herein after referred to as “specifically-listed construction materials”), all manufactured products, and all other construction materials.

DATES: March 15, 2023. This waiver is effective as stated herein for FFA obligated by HUD on or after the effective date of the waiver until the implementation deadlines for the BAP as specifically shown below.

SUPPLEMENTARY INFORMATION:

I. Build America, Buy America

The Build America, Buy America Act (“BABA” or “the Act”) was enacted on November 15, 2021, as part of the Infrastructure Investment and Jobs Act (“IIJA”) (Pub. L. 117–58). The Act establishes a domestic content procurement preference, the BAP, for Federal infrastructure programs. Section 70914(a) of the Act establishes that no later than 180 days after the date of enactment, HUD must ensure that none of the funds made available for infrastructure projects may be obligated by the Department unless it has taken steps to ensure that the iron, steel, manufactured products, and construction materials used in a project are produced in the United States. In section 70912, the Act further defines a project to include “the construction, alteration, maintenance, or repair of infrastructure in the United States” and includes within the definition of infrastructure those items traditionally included along with buildings and real property. Thus, starting May 14, 2022, new awards of HUD FFA, and any of those newly obligated funds by HUD then obligated by the grantee for infrastructure projects, are covered under BABA provisions of the Act, 41 U.S.C. 8301 note, unless covered by a waiver.

II. HUD’s Progress in Implementation of the Act

Since the enactment of the Act, HUD has worked diligently to implement the BAP. HUD understands that advancing Made in America objectives is a continuous effort and believes this transparent schedule of future implementation will provide industry partners and FFA recipients with the time and notice necessary to efficiently and effectively implement the BAP. HUD’s plans to move forward with the implementation of the new BAP requirements as set forth in this notice are designed to maximize coordination and collaboration to support long-term investments in domestic production. HUD will continue its efforts to implement the Act consistent with the

guidance and requirements of the Made in America Office of the Office of Management and Budget, including anticipated guidance concerning appropriate compliance with the BAP.

In order to ensure orderly implementation of the BAP across HUD’s programs, HUD has provided public interest, general applicability waivers in order to implement the BAP in phases in connection with the application of the BAP across HUD’s FFA programs and to provide HUD with sufficient time to solicit information from the public relating to the agency’s implementation of the BAP in connection with FFA awards made by HUD. HUD has previously published general applicability, public interest waivers to the BAP to provide the agency with sufficient time to solicit information from the public relating to the agency’s implementation of the BAP in connection with FFA awards made by HUD. On November 23, 2022, HUD issued a separate waiver covering all HUD FFA obligated by HUD on or before February 21, 2023, with the exception of the BAP as to the purchase of iron and steel for infrastructure projects funded by Community Development Block Grant (“CDBG”) formula grants on or after November 15, 2022. Separately, HUD waived the application of the BAP in connection with HUD FFA provided to Tribes, Tribally Designated Housing Entities (“TDHE”), and other Tribal Entities (referred to herein as “Tribal FFA”) to allow time for HUD to complete the Tribal consultation process regarding implementation of the BAP in connection with infrastructure projects. This Notice does not apply to Tribal FFA covered by that separate waiver.¹

Details on HUD’s implementation of the BABA requirements, including two public interest waivers covering Exigent Circumstances and De Minimis and Small Grants and a separate public interest waiver for all Tribal FFA, can be found at https://www.hud.gov/program_offices/general_counsel/BABA.

III. Waiver Authority

Under section 70914(b), HUD and other Federal agencies have authority to waive the application of a domestic content procurement preference when (1) application of the preference would be contrary to the public interest, (2) the materials and products subject to the
