Type of Review: Revision.

Title: Consolidated State Performance Report (Part I and Part II).

Frequency: Annually.

Affected Public: State, Local, or Tribal Gov't, SEAs or LEAs.

Reporting and Recordkeeping Hour Burden:

Responses: 53.

Burden Hours: 29,707.

Abstract: The Consolidated State Performance Report (CSPR) is the required annual reporting tool for each State, Bureau of Indian Education, District of Columbia, and Puerto Rico as authorized under Section 9303 of the Elementary and Secondary Education Act (ESEA), as amended by the No Child Left Behind Act of 2001 (NCLB). The Department uses the information derived from the CSPR to: (1) Monitor and report its progress in meeting Strategic Plan goals; (2) assess and report individual program performance, including GPRA performance measures; (3) monitor States' implementation of NCLB and the extent to which States are meeting program and accountability goals; (4) to identify areas for technical assistance to States and overall program improvement; and (5) to inform other reporting and program evaluation requirements specific to individual programs and including the Secretary's Annual State Report to Congress on No Child Left Behind. The current approved CSPR (OMB 11810-0614) will expire on October 31, 2010. This submission requests approval to include new or substantially revised questions in Sections 1.2, 1.3, 1.4 and 1.6 of CSPR Part I, and section 2.2 of CSPR Part II. The additions and revisions to the CSPR are necessary at this time to: (1) meet new NCLB data collection requirements for School Improvement Grants (Section 1003(a) and 1003(b)) and science

assessments (1111(b)(3)) implemented in SY 07-08, and (2) more accurately reflect the data requirements in 1111(h)(4)(D) and section 3121(b)(1) for evaluation; and (3) align Title I, Part B student performance measures with existing collections.

Additional Information: During the 60-day public comment period, ED received comments on the new and/or substantially revised items added to the CSPR for SY 2007-08 from 9 States. Public comments and ED's responses are detailed in a supplemental document to the SY 2007-08 CSPR currently pending approval from OMB. In addition, during the 60-day comment period, 15 States submitted comments in response to a focused question intended to help the Department determine the viability of moving any or all of the CSPR questions, which were initially prepopulated in 2006-07 to exclusive population by EDFacts for 2007-08 or 2008-09. Based on the responses to the focused question, along with ED's review of SEA transition agreements, ED has determined that it will not move any additional items to full population from EDFacts for the CSPR SY 2007-08 collection. ED will work with the States over the next several months to determine which items will be fully populated by EDFacts for the SY 2008-09 and subsequent CSPR collections. The SY 2007-08 CSPR & EDFacts Cross-walk, linking EDFacts data files to CSPR questions is included in the CSPR clearance package. Technical Amendments for SY 08-09 EDFacts Data Set related to the new CSPR questions in Section 1.4.8 on School Improvement Status also are included in the CSPR SY 2007-08 clearance documents.
