I. Background

Ohio submitted revisions to Ohio Administrative Code (OAC) Chapter 3745-19, “Open Burning Standards,” on June 4, 2018. To satisfy a state requirement to review its rules every five years, Ohio had reviewed and revised its open burning rules and requested EPA approval of revised OAC rules 3745-19-01, 3745-19-03, 3745-19-04, and 3745-19-05 as changes to the existing Ohio SIP. The rules are effective at the state level as of April 30, 2018.

EPA evaluated the revisions to Ohio’s open burning standards under the CAA and compared the revised rules to the rules that EPA has previously approved into the Ohio SIP. EPA finds that the revised rules will not interfere with continued attainment and maintenance
