AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of continuation of antidumping duty order: Extruded rubber thread from Malaysia.

SUMMARY: On March 7, 2000, the Department of Commerce ("the Department"), pursuant to sections 751(c) and 752 of the Tariff Act of 1930, as amended ("the Act"), determined that revocation of the antidumping duty order on extruded rubber thread from Malaysia, is likely to lead to continuation or recurrence of dumping. See 65 FR 11981 (March 7, 2000).

On August 2, 2000, the International Trade Commission ("the Commission"), pursuant to section 751(c) of the Act, determined that revocation of the antidumping duty order on extruded rubber thread from Malaysia would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. See 65 FR 47517 (August 2, 2000). Therefore, pursuant to 19 CFR 351.218(f)(4), the Department is publishing notice of the continuation of the antidumping duty order on extruded rubber thread from Malaysia.

SUPPLEMENTARY INFORMATION:

Background

On August 2, 1999, the Department initiated, and the Commission instituted a sunset review (64 FR 41915 and 64 FR 41954) of the antidumping duty order on extruded rubber thread from Malaysia, pursuant to section 751(c) of the Act. As a result of its review, the

Department found on March 7, 2000, that revocation of the antidumping duty order on extruded rubber thread from Malaysia would likely lead to continuation or recurrence of dumping and notified the Commission of the magnitude of the margins likely to prevail were the order revoked. See 65 FR 11981 (March 7, 2000).

On August 2, 2000, the Commission determined, pursuant to section 751(c) of the Act, that revocation of the antidumping duty order on extruded rubber thread from Malaysia would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. See *Extruded Rubber Thread From Malaysia*, 65 FR 47517 (August 2, 2000) and USITC Publication 3327, Investigation No. 731-TA-527 (Review) (July 2000).

Extruded rubber thread is currently classifiable under subheading 4007.00.00 of the Harmonized Tariff Schedule of the United States ("HTSUS"). The HTSUS subheadings are provided for convenience and customs purposes. The written description of the scope of this order is dispositive.

Determination

As a result of the determination by the Department and the Commission that revocation of the antidumping duty order would be likely to lead to continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping duty order on extruded rubber thread from Malaysia. The Department will instruct the U.S. Customs Service to continue to collect antidumping duty deposits at the rates in effect at the time of entry for all imports of subject merchandise.
