

**Notification to Importers**

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement may result in the Secretary's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties.

**Notification Regarding APOs**

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(5). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

We are issuing and publishing these final results of review in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: March 5, 2009.

**SUPPLEMENTARY INFORMATION:** On December 30, 2008, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on honey from Argentina for the period December 1, 2006 through November 30, 2007. See *Honey from Argentina: Preliminary Results of Antidumping Duty Administrative Review and Intent to Revoke Order in Part*, 73 FR 79802 (December 30, 2008). The current deadline for the final results of this review is April 29, 2009.

**Extension of Time Limits for Final Results**

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the final results of an administrative review within 120 days after the date on which the preliminary results were published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results up to 180 days from the date of publication of the preliminary results.

The Department finds that it is not practicable to complete this review within the original time frame due to additional analysis that must be performed with respect to respondent Patagonik S.A.'s cost of production and sales of subject merchandise. Consequently, and in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), the Department is fully extending the time limit for completion of the final results of this administrative review by 60 days, to June 28, 2009. As this date falls on a Sunday, the final results are due June 29, 2009. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005).
