## DEPARTMENT OF HOMELAND SECURITY

[Docket No. DHS-2018-0052]

### Assessing the Risk-Mitigation Value of TWIC® at Maritime Facilities

**AGENCY:** Science and Technology Directorate (S&T), Department of Homeland Security (DHS).

**ACTION:** 60-Day Notice of Information Collection; New request for comment.

**SUMMARY:** By law, the Secretary of Homeland Security is required to commission an assessment of how effective the transportation security card program is at enhancing security and reducing security risks for regulated maritime facilities and vessels. Through the transportation security card program, the Department issues the Transportation Worker Identification Credential (TWIC®). Legislation passed August 2, 2018 restricts the U.S. Coast Guard (USCG) from implementing any rule requiring the use of biometric readers for TWIC® until after submission to Congress of the results of this effectiveness assessment.

The Homeland Security Operational Analysis Center (HSOAC), a federally funded research and development center operated by the RAND Corporation, will collect information from those involved in maritime security on behalf of the DHS S&T

Research and Development Partnerships (RDP) Federally Funded Research and Development Center (FFRDC) Program Management Office. HSOAC will visit regulated maritime facilities and terminals and conduct interviews using a semi-structured interview method to collect information. HSOAC will analyze this information and use it to produce a public report with its research findings.

**DATES:** Comments are encouraged and accepted until April 8, 2019.

**ADDRESSES:** You may submit comments, identified by docket number DHS-2018-0052, at:

**SUPPLEMENTARY INFORMATION:** The Secretary of Homeland Security, according to Public Law 114-278, is required to commission an assessment of how effective the transportation security card program is at enhancing security and reducing security risks for regulated maritime facilities and vessels. Through the transportation security card program, the Department issues the Transportation Worker Identification Credential (TWIC®). In addition, Public Law 115-230 restricts the USCG from implementing any rule requiring the use of biometric readers for TWIC® until submitting the results of this assessment to Congress.

DHS, in accordance with the Paperwork Reduction Act (PRA), 44 U.S.C. 3501 *et seq.*, provides the general public and Federal agencies with an opportunity to comment on proposed,
