Foreign-Trade Zones Board

[Docket 3-2009]

Foreign-Trade Zone 124—Gramercy, LA; Expansion of Subzone; Marathon Petroleum Company LLC (Oil Refinery); Garyville, LA

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Port of South Louisiana, grantee of FTZ 124, requesting authority to expand the subzone and the scope of manufacturing activity conducted under zone procedures within Subzone 124E, on behalf of Marathon Petroleum Company LLC in Garyville, Louisiana. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on February 3, 2009.

Subzone 124E (950 employees, 255,000 barrel per day capacity) was approved by the Board in 1995 for the manufacture of fuel products and certain petrochemical feedstocks (Board Order 773, 60 FR 49565, 9/26/1995, as amended by Board Order 1116, 65 FR 52696-52697, 9/30/2000). The subzone consists of one site (1,370 acres) located between U.S. 61 and the Mississippi River in Garyville, St. John the Baptist Parish, Louisiana, some 35 miles northwest of New Orleans.

The applicant is now requesting authority to expand the subzone to include an additional parcel (319 acres) adjacent to the subzone. The proposed expansion would include a new crude processing "train" as well as downstream units and would increase employment at the facility by 285. The expansion request also includes seven new hydrocarbon storage tanks within the existing subzone boundary and a new "receipts dock" for the admission of crude oil and other feedstocks into the refinery. The proposed expansion would increase the overall crude distillation capacity allowed under FTZ procedures to 435,000 barrels per day.
