BILLING CODE 3410-11-P

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Permitting, Vessel Identification, and Reporting Requirements for the Pelagic Squid Jig Fishery in the Western Pacific Region.

OMB Control Number: 0648-0589.

Form Number(s): NA.

Type of Request: Regular submission (revision and extension of a current information collection).

Number of Respondents: 30.

Average Hours Per Response: Permit applications, 30 minutes; logsheets, 15 minutes; vessel identification, 45 minutes.

Burden Hours: 265.

Needs and Uses: This request is for revision and extension of a currently approved information collection.

Federal regulations at Title 50, Part 665, of the Code of Federal Regulations require that owners of vessels fishing for, or landing, pelagic squid in the western Pacific region obtain a permit from NOAA National Marine Fisheries Service (NMFS). In addition, the

regulations require vessel operators to report fishing activity and harvest on daily logbooks and mark their vessels for identification: the vessel's official number is required to be displayed on the port and starboard sides of the deckhouse or hull, and on an appropriate weather deck.

The information collected is used to identify participants in the fishery, document fishing activities and landings, determine the conditions of the stocks, assess the effectiveness of management measures, evaluate the benefits and costs of changes in management measures, and monitor and respond to accidental takes of protected species, including seabirds, turtles, and marine mammals.

Vessel owners must identify their vessels to assist in aerial and at-sea enforcement of fishing regulations.

Revision: There is now a \$32 permit fee.

Affected Public: Business or other for-profit organizations.

Frequency: Annually and daily during fishing trips.

Respondent's Obligation: Mandatory.

OMB Desk Officer:

OIRA_Submission@omb.eop.gov.

Copies of the above information collection proposal can be obtained by calling or writing Jennifer Jessup, Departmental Paperwork Clearance Officer, (202) 482-0336, Department of Commerce, Room 6616, 14th and Constitution Avenue NW., Washington, DC 20230 (or via the Internet at JJessup@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to

OIRA_Submission@omb.eop.gov.

Dated: August 10, 2012.

Gwellnar Banks,

Management Analyst, Office of the Chief Information Officer.

BILLING CODE 3510-22-P

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Annual Economic Survey of Federal Gulf and South Atlantic Shrimp Permit Holders.

OMB Control Number: 0648-0591.

Form Number(s): NA.

Type of Request: Regular submission (extension of a current information collection).

Number of Respondents: 800.

Average Hours Per Response: 45 minutes.

Burden Hours: 600.

Needs and Uses: This request is for an extension of a currently approved information collection.

That National Oceanic and Atmospheric Administration (NOAA) annually collects socioeconomic data from commercial fishermen in the Gulf of Mexico and South Atlantic shrimp fisheries who hold one or more permits for shrimp fishing in federal waters (United States (U.S.) Exclusive Economic Zone (EEZ)). Information about revenues, variable and fixed costs, capital investment and other socioeconomic information is collected from a random sample of permit holders. This data complements other data already collected and is needed to conduct socioeconomic analyses in support of management of the shrimp fishery and to satisfy legal requirements. The data will be used to assess how fishermen will be impacted by and respond to federal regulation likely to be considered by fishery managers.

Affected Public: Business or other for-profit organizations.

Frequency: Annually.

Respondent's Obligation: Required to obtain or retain benefits.

OMB Desk Officer:

OIRA_Submission@omb.eop.gov.
