

subject merchandise for all companies under review.⁵ Between January 30, 2024, and February 13, 2024, Dongsheng, Luckyroc, and Xinguang Rack timely withdrew their requests for administrative review.⁶ On March 18, 2024, Commerce notified all interested parties that in the absence of any suspended entries during the POR for Nanjing Ironstone, Jiangsu JISE, Starshine, and Jiangsu Nova, which are the only remaining companies subject to the instant administrative review, Commerce intended to rescind this review.⁷ Commerce provided all parties an opportunity to comment on CBP's findings.⁸ No parties submitted comments.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of a CVD order where it concludes that there were no reviewable entries of subject merchandise during the POR.⁹ Normally, upon completion of an administrative review, the suspended entries are liquidated at the CVD assessment rate for the review period.¹⁰ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct CBP to liquidate at the calculated CVD assessment rate for the review period.¹¹ As noted above, CBP data showed that there were no entries of subject merchandise during the POR with respect to Jiangsu JISE, Jiangsu Nova, Nanjing Ironstone, and Starshine, the companies remaining subject to this review. Accordingly, in the absence of reviewable, suspended entries of subject merchandise during the POR for any companies remaining under review and for which review requests have not been withdrawn, we are rescinding this administrative

review, in its entirety, in accordance with 19 CFR 351.213(d)(3).

Cash Deposit Requirements

As Commerce has proceeded to a final rescission of this administrative review, no cash deposit rates will change. Accordingly, the current cash deposit requirements shall remain in effect until further notice.

Assessment

Commerce will instruct CBP to assess countervailing duties on all appropriate entries. Because Commerce is rescinding this review in its entirety, the entries to which this administrative review pertained shall be assessed at rates equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of this rescission notice in the **Federal Register**.

Final Determination of No Shipments

In the *Preliminary Determination of No Shipments*, Commerce determined that Surya did not have knowledge that the subject merchandise was destined for the United States, and, thus, Surya is not considered the exporter of subject merchandise during the POR for the purposes of this review.³ As no parties commented on the determination and we have not received any information to contradict this determination, for the final results of review, we continue to find that Surya made no shipments of subject merchandise to the United States during the POR.

Disclosure

Normally, Commerce discloses to interested parties the calculations performed in final results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of these final results in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, as there were no calculations performed in this administrative review, there are no calculations to disclose.

Assessment Rates

For entries of subject merchandise during the POR produced by Surya, we will instruct CBP to liquidate suspended entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.⁴

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements for estimated antidumping duties will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) for merchandise exported by a producer or exporter not covered in this review but

covered in a prior completed segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment of this proceeding; (2) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the producer has been covered in a prior completed segment of this proceeding, the cash deposit rate will be the company-specific rate established for the most recent period for the producer of the merchandise; (3) the cash deposit rate for all other producers or exporters will continue to be 7.08 percent,⁵ the all-others rate established in the LTFV investigation. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during the POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order

This notice also serves as a final reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

We are issuing and publishing these final results of administrative review in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.221(b)(5).

Dated: May 28, 2024.
