

and ensure fair practices in the food trade.

The Terms of Reference of the Codex Committee on Spices and Culinary Herbs (CCSCH) are:

(a) To elaborate worldwide standards for spices and culinary herbs in their dried and dehydrated state in whole, ground, and cracked or crushed form; and

(b) To consult, as necessary, with other international organizations in the standards development process to avoid duplication.

India hosts the CCSCH. The United States attends the CCSCH as a member country of Codex.

Issues To Be Discussed at the Public Meeting

Although the meeting agenda was not available at the time of publication of this notice, the following items are expected to be on the agenda for the 8th Session of the CCSCH and will be discussed during the public meeting:

- Adoption of the Agenda
- Draft standard for spices derived from dried or dehydrated fruits and berries—vanilla
- Draft standard for sweet marjoram
- Draft standard for dried seeds—coriander
- Draft standard for large cardamom
- Draft standard for cinnamon
- Update to the template for CCSCH standards
- New work proposals
- Other business

Public Meeting

At the September 11, 2025, public meeting, agenda items will be described and attendees will have the opportunity to pose questions and offer comments. Written comments may be offered at the meeting or sent to the U.S. Delegate, Mr. Dorian LaFond, dorian.lafond@usda.gov. Written comments should state that they relate to activities of the 8th Session of the CCSCH.

Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, the U.S. Codex Office will announce this **Federal Register** publication on-line through the USDA Codex web page located at: <https://www.usda.gov/codex>.

Done at Washington, DC, on August 18, 2025.

Julie A. Chao,

Deputy U.S. Manager for Codex Alimentarius.

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; High-Frequency Surveys Program/Household Trends and Outlook Pulse Survey (HTOPS)

On January 15, 2025, the Department of Commerce (Department) received clearance from the Office of Management and Budget (OMB) in accordance with the Paperwork Reduction Act of 1995 to conduct the Household Trends and Outlook Pulse Survey (HTOPS) recruitment operation, January topical operation and February topical operation (0607–1029). We received approval for the March, April, and May HTOPS collections on April 11, 2025. On June 16, 2025, we were approved for the June and August 2025 topical collections. The HTOPS is designed to ensure availability of frequent data collection for nationwide estimates on a variety of topics for a variety of subgroups of the population. This notice serves to inform of the Department's intent to request clearance from OMB to conduct the HTOPS September, October, and December data collections. For September, we will conduct the 2030 Census Planning Survey, which is designed to understand attitudes and behaviors that relate to 2030 Census participation across demographic characteristics. Topics include Census knowledge and trust in Census data, intention to respond to the 2030 Census, barriers to completing the 2030 Census, and motivators to completing the 2030 Census. The October and December topical surveys will include content from the Household Pulse Survey. Household Pulse Survey content continues to serve as an experimental endeavor in cooperation with other federal agencies to produce near real-time data to understand the effects of current events, including health events, and other social or economic events facing the nation or a significant portion of the nation.

Data collected in the Household Pulse Survey demonstrate the ability to quickly collect and disseminate high-frequency data products that inform the public in urgent circumstances. Data products will include public-use data files and detailed data tables, which can be used by federal, state, and local agencies; academics and non-government organizations; the media; and the public.

It is the Department's intention to commence data collection using the revised instruments on or about September 16, 2025, October 21, 2025, and December 9, 2025. We invite the general public and other federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via publication to the **Federal Register** on December 9, 2024, February 28, 2025, and May 13, 2025 during a 30-day comment period. This notice allows for an additional 30 days for public comments.

Agency: U.S. Census Bureau, Department of Commerce.

Title: High Frequency Surveys Program/Household Trends and Outlook Pulse Survey.

OMB Control Number: 0607–1029.

Form Number(s): None.

Type of Request: Regular submission, Request for a Revision of a Currently Approved Collection.

Number of Respondents: 8,300 (99,600 annually).

Average Hours per Response: .333 (20 minutes).

Burden Hours: 2,754 (33,167 annually).

Needs and Uses: The High-Frequency Surveys Program was established as a natural progression from the creation of the Household Pulse Survey. The Household Trends and Outlook Pulse Survey is a probability-based, nationwide, nationally representative survey panel designed to test methods to collect data on a variety of topics of interest, and for conducting experimentation on alternative question wording and methodological approaches. The goal of the HTOPS is to ensure availability of frequent data collection for nationwide estimates on a variety of topics and a variety of subgroups of the population, meeting standards for transparent quality reporting of the federal statistical agencies and the Office of Management and Budget.

Panelists and households selected for the HTOPS were recruited from the Census Bureau's gold standard Master Address File. This ensures that HTOPS is rooted in this rigorously developed and maintained frame and available for linkage to administrative records securely maintained and curated by the Census Bureau. Invitations to complete the monthly surveys will be sent via email and SMS messages.

Questionnaires will be mainly internet self-response. The HTOPS will maintain representativeness by allowing

respondents who do not use the internet to respond via computer-assisted telephone interviewing (CATI). All panelists will receive an incentive for each complete questionnaire. Periodic replenishment samples will maintain representativeness and panelists will be replaced after a period of three years.

Affected Public: Households.

Frequency: Monthly.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13, United States Code, Sections 141, 182 and 193.

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view the Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function and entering either the title of the collection or the OMB Control Number 0607–1029.

Sheleen Dumas,

Departmental PRA Compliance Officer, Office of the Under Secretary for Economic Affairs, Commerce Department.

Citric Acid and Certain Citrate Salts From Thailand: Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review; 2023–2024

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that certain producers/exporters subject to this administrative review did not make sales of subject merchandise at less than normal value (NV) during the period of review (POR) July 1, 2023, through June 30, 2024. Interested parties are invited to comment on these preliminary results.

DATES: Applicable August 20, 2025.

FOR FURTHER INFORMATION CONTACT: Joy Zhang, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration,

U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–1168.

SUPPLEMENTARY INFORMATION:

Background

On July 25, 2018, Commerce published in the **Federal Register** the AD order on citric acid and certain citrate salts (citric acid) from Thailand.¹ On July 1, 2024, we published in the **Federal Register** a notice of opportunity to request an administrative review of the *Order* for the POR.² On August 14, 2024, based on timely requests for an administrative review, Commerce initiated an administrative review of the *Order*.³ On September 17, 2024, Commerce selected COFCO Biochemical (Thailand) Co., Ltd. (COFCO) and Sunshine Biotech International Co., Ltd. (Sunshine) for individual examination as the mandatory respondents in this administrative review.⁴ On December 9, 2024, Commerce tolled certain deadlines in this administrative proceeding by 90 days.⁵ On June 10, 2025, Commerce extended the deadline for the preliminary results of this review by 59 days, until August 29, 2025. For a complete description of the events following the initiation of this administrative review, see the Preliminary Decision Memorandum.⁶

A list of topics included in the Preliminary Decision Memorandum is included in the appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

⁴ See Memorandum, "Respondent Selection," dated September 17, 2024.

⁵ See Memorandum, "Tolling of Deadlines for Antidumping and Countervailing Duty Proceedings," dated December 9, 2024.

⁶ See Memorandum, "Decision Memorandum for the Preliminary Results of the Administrative Review of the Antidumping Duty Order on Circular Welded Carbon Steel Pipes and Tubes from Thailand; 2023–2024," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

Scope of the Order

The products covered by the *Order* are citric acid from Thailand. For a complete description of the scope of this *Order*, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act). We calculated export price and NV in accordance with sections 772 and 773 of the Act, respectively. For a complete description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

Rate for Non-Examined Company

The Act and Commerce's regulations do not address the establishment of a rate to be applied to companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a market economy investigation, for guidance when calculating the rate for companies which were not selected for individual examination in an administrative review. Under section 735(c)(5)(A) of the Act, the all-others rate is normally "an amount equal to the weighted average of the estimated weighted average dumping margins established for exporters and producers individually investigated, excluding any zero or *de minimis* margins, and any margins determined entirely {on the basis of facts available}."

In this review, we preliminarily calculated dumping margins of zero percent for both COFCO and Sunshine. Consistent with the U.S. Court of Appeals for the Federal Circuit's decision in *Albemarle*,⁷ and Commerce's practice,⁸ we preliminarily assigned to the non-selected company a zero percent rate, based on the rates calculated for the two mandatory respondents.

Preliminary Results of Review

We preliminarily determine that the following estimated weighted-average
