Food and Nutrition Service

Title: Child and Adult Care Food Program (CACFP) National Disqualified List.

OMB Control Number: 0584-0584.

Summary of Collection: The Food and Nutrition Service administers the Child Nutrition Act of 1966, as amended (42 U.S.C. 1771, *et seq.*). Section 243(c) of Public Law 106-224, the Agricultural Risk Protection Act of 2000, amended section 17(d)(5) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1766 (d)(5)(E)(i) and (ii)) by requiring the Department of Agriculture to maintain a list of institutions, day care home providers, and individuals that have been terminated or otherwise disqualified from CACFP participation. The law also requires the Department to make the list available to State agencies for their use in reviewing applications to participate and to sponsoring organizations to ensure that they do not employ as principals any persons who are disqualified from the program. This statutory mandate has been incorporated into § 226.6(c)(7) of the Program regulations.

Need and Use of the Information: The Food and Nutrition Service (FNS) uses forms FNS-843 Report of Disqualification from Participation—Institution and Responsible Principals/Individuals and FNS-844 Report of Disqualification from Participation—Individually Disqualified Responsible Principal/Individual or Day Care Home

Provider to collect and maintain the disqualification data. The State agencies use these forms, which are accessed through a web-based National Disqualification List (NDL) system, to collect the contact information and the disqualification information and reasons on all individuals and institutions that have been disqualified and are therefore ineligible to participate in CACFP. The information is collected from State agencies as the disqualifications occur so that the list is kept current. By maintaining the web-based system, the Department ensures program integrity by making the NDL data available to sponsoring organizations and State agencies so that no one who has been disqualified can participate in CACFP. Without this data collection, State agencies would not be able to prevent individuals and institutions disqualified in other States from reapplying to participate in CACFP.

Description of Respondents: State, local, or Tribal government.

Number of Respondents: 56.

Frequency of Responses: Reporting: On occasion; Other (as needed).

Total Burden Hours: 784.

After the cooperative agreements are awarded, the cooperators will be required to provide performance reports to provide information as specified in the general terms and conditions in the executed cooperative agreement. In order to evaluate the impact and effectiveness of the agreement via standardized metrics, NRCS OPD is offering a performance reporting template as a supplement to the required performance report.
