

addition, the Postal Service asserts that there have been no material changes concerning RRM service since 2015 that require revisiting the Commission's findings in Order No. 2322 on removal. *Id.* at 3. Thus, the Postal Service requests that the Commission reinstate its original finding that the removal of RRM service comports with 39 U.S.C. 3642 and 39 CFR 3020.30 *et seq.* *Id.* The Postal Service attached proposed changes to the MCS should the Commission approve the request. *See* Renewed Request, Attachment A.

II. Notice of Commission Action

Although the Commission directed the Postal Service to file a request to discontinue RRM service in a new docket, the Commission finds that the Postal Service has set forth good cause to reopen this docket. In support of its Renewed Request, the Postal Service relies on the information previously provided, and approved by the Commission, in its original request for removal of the RRM service. Accordingly, the Postal Service's motion to reopen the docket is granted.

The Postal Service requests expedited review, but does so without suggesting a time period for comments or Commission decision. Nor does the Postal Service discuss why expedition is necessary, especially in light of the time that has passed since its original request and Order No. 5214.

More than five years has passed since the original request for removal and the Commission has since stated that it would evaluate future requests in light of the RRM Opinion. The Commission will provide interested persons the opportunity to comment on the renewed request for removal of the RRM service.

Pursuant to 39 CFR 3001.45 and 3020.33, the Commission reopens Docket No. MC2015–8 to consider the Postal Service's renewed request to remove RRM service. The Commission invites comments from interested persons on the Renewed Request. Comments are due no later than January 9, 2020.

Pursuant to 39 U.S.C. 505, the Commission appoints R. Tim Boone to represent the interests of the general public (Public Representative) in this docket.

III. Ordering Paragraphs

It is ordered:

1. The Commission grants the Postal Service's motion and reopens Docket No. MC2015–8 to consider the Renewed Request.

2. Comments by interested persons are due by January 9, 2020.

3. Pursuant to 39 U.S.C. 505, R. Tim Boone is appointed to serve as an officer of the Commission (Public Representative) to represent the interests of the general public in this proceeding.

4. The Commission directs the Secretary of the Commission to arrange for prompt publication of this notice in the **Federal Register**.

By the Commission.

Ruth Ann Abrams,
Acting Secretary.
