[Docket No. USCG-2013-0089]

Merchant Mariner Medical Evaluation Program

AGENCY: Coast Guard, DHS.

ACTION: Notice and request for comments.

SUMMARY: The Coast Guard is seeking public comment regarding the merchant mariner medical evaluation program. Section 718 of the Coast Guard Authorization Act of 2012 directed the Commandant of the Coast Guard to submit to Congress an assessment of the Coast Guard National Maritime Center's merchant mariner medical evaluation program and alternatives to the program. Congress specifically asked the Coast Guard to include an analysis of how a system similar to the Federal Motor Carrier Safety Administration's National Registry of Certified Medical Examiners program, and the Federal Aviation Administration's Designated Aviation Medical Examiners program, could be applied by the Coast Guard in making medical fitness determinations for issuance of merchant mariners' documents. The Coast Guard will accept comments from the public on the perceived benefits and concerns with adopting a similar program for the medical evaluation of merchant mariners.
