Agency Information Collection Activities: Submission for OMB Review; Comment Request

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice; 30-day notice and request for comments; Extension of a currently approved collection 1660-0025, Standard Forms: SF-LLL, SF-424, SF-270, FEMA Forms: 20-10, 20-15, 20-16A, 20-16B, 20-16C, 20-17, 20-18, 20-19, 20-20, and 76-10A.

SUPPLEMENTARY INFORMATION: The Federal Emergency Management Agency (FEMA) has submitted the following information collection to the Office of Management and Budget (OMB) for review and clearance in accordance with the requirements of the Paperwork Reduction Act of 1995. The submission describes the nature of the information collection, the categories of respondents, the estimated burden (*i.e.*, the time, effort and resources used by respondents to respond) and cost, and includes the actual data collection instruments FEMA will use.

Title: FEMA Grant Administration Forms.

OMB Number: 1660-0025.

Abstract: This collection of information focuses on the standardization and consistent use of standard and FEMA forms associated with grantees requests for disaster and non-disaster Federal assistance, submission of financial and administrative reporting and record keeping. The use of the forms will minimize burden on the respondent and enable FEMA to continue to improve in its grants administration practices. The forms are used to administer the following FEMA grant programs.

National Urban Search and Rescue (US&R) Response System—To develop an immediately deployable, national response capability to locate and extricate, and medically stabilize victims of structural collapse during a disaster, while simultaneously enhancing the US&R response capabilities of State and local governments.

Community Assistance Program—State Support Services Element (CAP-SSSE)—To ensure that communities participating in the National Flood Insurance Program (NFIP) are achieving flood loss reduction measures consistent with program direction. The CAP-SSSE is intended to identify, prevent and resolve floodplain management issues in participating communities before they develop into problems requiring enforcement action.

Chemical Stockpile Emergency Preparedness Program (CSEPP)—To enhance emergency preparedness capabilities of the States and local communities at each of the eight chemical agent stockpile storage facilities. The purpose of the program is to assist States and local communities in efforts to improve their capacity to plan for and respond to accidents associated with the storage and ultimate disposal of chemical warfare materials.

National Dam Safety Program (NDSP)—To encourage the establishment and maintenance of effective State programs intended to ensure dam safety, to protect human life and property, and to improve State dam safety programs.

Interoperable Communications Equipment (ICE)—To provide funding to jurisdictions across the nation for demonstration projects on uses of equipment and technologies to increase communications interoperability among the fire service, law enforcement, and emergency medical service communities. These projects will illustrate and encourage the acceptance of new technologies and operating methods to assist communities in achieving interoperability.
