The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Changes Since the Preliminary Results

Based on our review and analysis of the comments received from parties, we made certain changes to the subsidy rate calculations for Goodluck and TII. For a discussion of these comments, see the Issues and Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we find that there is a subsidy, *i.e.*, a financial contribution from a government or public entity that gives rise to a benefit to the recipient, and the subsidy is specific.³ For a full description of the methodology underlying our conclusions, see the Issues and Decision Memorandum.

Final Results of Administrative Review

In accordance with section 751(a)(1)(A) of the Act and 19 CFR 351.221(b)(5), we determine the total estimated net countervailable subsidy rates for the period January 1, 2019, through December 31, 2019, to be as follows:

Company	Subsidy rate (percent <i>ad valorem</i>)
Goodluck India Limited ⁴	5.35
Tube Investments of India Ltd. ⁵	7.70

Disclosure

Commerce will disclose to the parties in this proceeding the calculations

³ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

⁴ This rate applies to the following entities: Goodluck India Limited (formerly Good Luck Steel Tubes Limited); Good Luck Steel Tubes Limited; Good Luck House; and Good Luck Industries.

⁵ Tube Investments of India Ltd. is also known as Tube Investments of India Limited.

performed for these final results within five days of the date of publication of this notice in the **Federal Register**.⁶

Assessment Rate

Consistent with section 751(a)(2)(C) of the Act, upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. Commerce intends to issue appropriate assessment instructions to CBP no earlier than 35 days after publication of these final results. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

Pursuant to section 751(a)(1) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts indicated above with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, CBP will continue to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit instructions, when imposed, shall remain in effect until further notice.

Administrative Protective Order

This notice also serves as a final reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

These final results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(5).

Dated: December 6, 2021.

Deputy Assistant Secretary for Policy and Negotiations, Performing the Non-Exclusive Functions and Duties of The Assistant Secretary for Enforcement and Compliance.

Background

This review covers one producer/exporter of the subject merchandise, Dillinger.

On August 6, 2021, Commerce published the *Preliminary Results*.¹ On

Continued

⁶ See 19 CFR 351.224(b).

September 7, 2021, we received case briefs from SSAB Enterprises, LLC, a domestic interested party, and Dillinger. On September 14, 2021, we received a rebuttal brief from Dillinger. For a complete discussion of the events that occurred since the *Preliminary Results*, see the Issues and Decision Memorandum.²

Scope of the Order

The products covered by the order are certain carbon and alloy steel hot-rolled or forged flat plate products not in coils, whether or not painted, varnished, or coated with plastics or other non-metallic substances from Germany. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise subject to this scope is dispositive.³

Analysis of Comments Received

All issues raised in the case and rebuttal briefs are listed in the appendix to this notice and addressed in the Issues and Decision Memorandum. Interested parties can find a complete discussion of these issues and the corresponding recommendations in this public memorandum, which is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Changes Since the Preliminary Results

Based on a review of the record and comments received from interested

parties regarding our *Preliminary Results*, we made certain changes to Dillinger's margin calculation.⁴ However, the weighted-average margin calculated for Dillinger did not change from the rate presented in the *Preliminary Results*.

Final Results of the Review

As a result of this review, we determine the following weighted-average dumping margin for the period May 1, 2019, through April 30, 2020:

Producer/exporter	Weighted-average dumping margin (percent)
AG der Dillinger Hüttenwerke	0.00

Disclosure of Calculations

We intend to disclose the calculations performed for Dillinger in connection with these final results within five days of the date of publication of this notice, in accordance with 19 CFR 351.224(b).

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.212(b)(1), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review.

Where the weighted average dumping margin for Dillinger is zero or *de minimis* (i.e., less than 0.5 percent), we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.⁵

Commerce's "automatic assessment" will apply to entries of subject merchandise during the POR produced by Dillinger for which the reviewed company did not know that the merchandise it sold to the intermediary (e.g., a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.⁶

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the company listed above will be that established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not listed above, the cash deposit will continue to be the company-specific rate published for the most recently completed segment; (3) if the exporter is not a firm covered in this review, a previous review, or the less-than-fair-value (LTFV) investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recent segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 21.04 percent, the all-others rate established in the LTFV investigation.⁷ These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties

Emulsion Styrene-Butadiene Rubber From the Czech Republic, Italy, and the Russian Federation: Initiation of Less-Than-Fair-Value Investigations

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable December 6, 2021.

FOR FURTHER INFORMATION CONTACT: Leo Ayala at (202) 482-3945 (Czech Republic); Zachary Le Vene at (202) 482-0056 (Italy); and Caitlin Monks at (202) 482-2670 (the Russian Federation (Russia)); AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

The Petitions

On November 15, 2021, the Department of Commerce (Commerce) received antidumping duty (AD) petitions concerning imports of emulsion styrene-butadiene rubber (ESBR) from the Czech Republic, Italy, and Russia filed in proper form on behalf of Lion Elastomers LLC (the petitioner), a domestic producer of ESBR.¹

On November 17 and 24, and December 1, 2021, Commerce requested additional information pertaining to certain aspects of the Petitions in separate supplemental questionnaires.² The petitioner filed responses to the supplemental questionnaires on November 19 and 24, and December 1, 2021.³

In accordance with section 732(b) of the Act, the petitioner alleges that

¹ See Petitioner's Letter, "Petition (vol. I-IV) for the Imposition of Antidumping Duties on Imports of Emulsion Styrene-Butadiene Rubber from Czech Republic, Italy, and Russia," dated November 12, 2021 (the Petitions). The Petitions were filed with Commerce and the U.S. International Trade Commission (ITC) on November 12, 2021, after 12:00 noon, and pursuant to 19 CFR 207.10(a), are deemed to have been filed with the ITC on the next business day, November 15, 2021. Because section 732(b)(2) of the Tariff Act of 1930, as amended (the Act), requires simultaneous filing of the Petitions with Commerce and the ITC, Commerce deemed the Petitions to have been filed with Commerce on November 15, 2021. See Memorandum, "Decision Memorandum Concerning the Filing Date of the Petitions," dated November 15, 2021.

² See Commerce's Letters, "Petitions for the Imposition of Antidumping Duties on Imports of Emulsion Styrene-Butadiene Rubber from Czech Republic, Italy, and the Russian Federation: Supplemental Questions," dated November 17, 2021; Country-Specific Supplemental Questionnaires: Czech Republic Supplemental, Italy Supplemental, and Russia Supplemental, dated November 17, 2021; Country-Specific Memoranda pertaining to a phone call with Counsel to the Petitioner, dated November 24, 2021; and Memorandum, "Phone Call with Counsel to the Petitioner," dated December 1, 2021.

³ See Petitioner's Letters, "Emulsion Styrene-Butadiene Rubber from Czech Republic, Italy, and Russian Federation: Response to General Issues Supplemental Questions," dated November 19, 2021 (General Issues Supplement); Country-Specific Supplemental Responses, dated November 19, 2021; and Country-Specific Second Supplemental Responses, dated November 24, 2021; and Country-Specific Third Supplemental Responses, dated December 1, 2021.

imports of ESBR from the Czech Republic, Italy, and Russia are being, or are likely to be, sold in the United States at less than fair value (LTFV) within the meaning of section 731 of the Act, and that imports of such products are materially injuring, or threatening material injury to, the ESBR industry in the United States. Consistent with section 732(b)(1) of the Act, the Petitions are accompanied by information reasonably available to the petitioner supporting its allegations.

Commerce finds that the petitioner filed the Petitions on behalf of the domestic industry because the petitioner is an interested party, as defined in section 771(9)(C) of the Act. Commerce also finds that the petitioner demonstrated sufficient industry support for the initiation of the requested LTFV investigations.⁴

Period of Investigation

Because the Petitions were filed on November 15, 2021, the period of investigation (POI) for these LTFV investigations is October 1, 2020, through September 30, 2021, pursuant to 19 CFR 351.204(b)(1).⁵

Scope of the Investigations

The product covered by these investigations is ESBR from the Czech Republic, Italy, and Russia. For a full description of the scope of these investigations, see the appendix to this notice.

Comments on the Scope of the Investigations

As discussed in the *Preamble* to Commerce's regulations, we are setting aside a period for interested parties to raise issues regarding product coverage (*i.e.*, scope).⁶ Commerce will consider all comments received from interested parties and, if necessary, will consult with interested parties prior to the issuance of the preliminary determinations. If scope comments include factual information,⁷ all such factual information should be limited to public information. To facilitate preparation of its questionnaires, Commerce requests that all interested parties submit such comments by 5:00 p.m. Eastern Time (ET) on December 27, 2021, which is the next business day after 20 calendar days from the
