

addressed in such a procedure, how they could be best addressed, how the available funds should best be used and whether the available funds are adequate for the intended purpose are solicited from eligible participants and any other interested party.

Requirements for Statements of Interest: The following points describe the minimum content that is required in Statements of Interest.

1. Describe the service to be subject to fair bid competition, including frequencies of service, schedules for operation, any unique aspects of the service sought by the State, endpoints and intermediate stops and connections to other intercity and commuter rail and transit services, and estimates of annual ridership, revenue and expenses during the period of operation covered by the fair bid competition.

2. Describe the analysis, if any, undertaken regarding the incorporation of this service into State and/or regional transportation plans.

3. Describe the experience or analysis, if any, undertaken by the State regarding competitive selection of passenger service providers, by any mode of intercity transportation, for commuter rail service or for local transit service.

4. Describe how the State or States envision their role and that of the selected operator in defining the key attributes of the service to be provided.

5. Describe the history, if any, of State and other non-Federal financial support for this service and the financial support the State and other non-Federal sources propose during the period of operation resulting from the fair bid competition, clearly indicating the estimated amount and sources for the required non-Federal funds required.

6. Identify the entity that would conduct the fair bid competition. To the extent this entity does not presently have legal authority to undertake such a competition, identify the process and schedule under which this authority would be provided.

7. Describe the route over which the service would be operated, including the owner of the rail infrastructure, the traffic types (including ownership of trains), volumes, and speeds presently involved in operation on the track segment(s) over which the service would operate.

8. Describe any communications between the State and the owner of the rail infrastructure over which the service would operate that addresses the issue of access for passenger service operated by an entity other than

Amtrak, including the terms and conditions under which this access would be provided.

9. Describe how the State or States would propose that a fair bid procedure to be implemented by the Secretary should address the issue of access to rail infrastructure.

10. Describe the equipment proposed for use in providing the service, its current ownership, current use and any commitment that the State might have for access to this equipment.

11. Describe how the State or States would propose that a fair bid procedure to be implemented by the Secretary should address the issue of access to rail passenger equipment.

12. Describe the provisions the State or States would make to address the liability of the operator selected under the fair bid competition, the owner of the rail infrastructure and others in the event of an accident.

13. Describe how the State or States would propose that a fair bid procedure to be implemented by the Secretary should address the issue of liability.

14. Describe any other issues that need to be addressed either by the Secretary or by the State or States to implement a fair bid competitive process for selection of an operator of an intercity passenger rail service.

Format: Statements of Interest or comments may not exceed twenty-five pages in length.

Selection Criteria: The following will be considered to be positive selection factors in evaluating Statements of Interest for this demonstration:

1. The contribution the proposed fair bid competitive selection will make to understanding the issues that must be addressed in competitive selection of intercity rail operators.

2. The timeliness of the initiation of the competitive bid process and initiation of the competitively bid service.

3. The ability of the State or States to adequately address the challenges facing a competitive selection of an operator of intercity passenger rail service.

4. Financial commitment from non-Federal sources.

5. Cost to the Federal Government.

6. Past and likely future State commitments to support the service in question.

7. Projected ridership, revenues, expenses and capital needs of the expected service.

8. Likely effects of the competitively bid service on other Amtrak services.

9. Length of the demonstration period and prospects for the service at the end of the demonstration period.
