Approximately 1,020 FBI National Academy students per year will respond to two types of questionnaires. It is predicted that we will receive a 75% respond rate for both surveys. Each student will respond to approximately six to seven Student Course Questionnaires—one for each class they have completed. The average time for reading the directions to each questionnaire is estimated to be 2 minutes; the time to complete each questionnaire is estimated to be approximately 20 minutes. Thus the total time to complete the Student Course Questionnaire is 22 minutes.

For the FBI National Academy: General Remarks Questionnaire, students will respond to one questionnaire. The average time for reading the directions to this questionnaire is estimated to be 2 minutes; the time to complete each questionnaire is estimated to be approximately 10 minutes. Thus the total time to complete the General Remarks Questionnaire is 12 minutes. The total hour burden for both surveys is 2,822 hours.
