Notice of Inventory Completion: Indiana University, Bloomington, IN

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), Indiana University (IU) has completed an inventory of human remains and has determined that there is a cultural affiliation between the human remains and Indian Tribes or Native Hawaiian organizations in this notice. The human remains were removed from an unknown location.

DATES: Repatriation of the human remains in this notice may occur on or after February 12, 2024.

ADDRESSES: Dr. Jayne-Leigh Thomas, Indiana University, Student Building 318, 701 E Kirkwood Avenue, Bloomington, IN 47405, telephone (812) 856-5315, email thomajay@indiana.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of Indiana University. The National Park Service is not responsible for the determinations in this notice. Additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records held by Indiana University.

Description

Human remains representing, at minimum, three individuals were removed from an unknown location. The collection was transferred to IU prior to 1956 by the Cincinnati Society for Natural History. No associated funerary objects are present.

Cultural Affiliation

The human remains in this notice are connected to one or more identifiable earlier groups, tribes, peoples, or cultures. There is a relationship of shared group identity between the

identifiable earlier groups, tribes, peoples, or cultures and one or more Indian Tribes or Native Hawaiian organizations. The following types of information were used to reasonably trace the relationship: oral history, expert opinion, and historical information.

Determinations

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate Indian Tribes and Native Hawaiian organizations, Indiana University has determined that:

- The human remains described in this notice represent the physical remains of three individuals of Native American ancestry.

- There is a relationship of shared group identity that can be reasonably traced between the human remains and associated funerary objects described in this notice and The Muscogee (Creek) Nation.

Requests for Repatriation

Written requests for repatriation of the human remains in this notice must be sent to the Responsible Official identified in **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains in this notice to a requestor may occur on or after February 12, 2024. If competing requests for repatriation are received, Indiana University must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains are considered a single request and not competing requests. Indiana University is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.
