A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is proposing to amend its Schedule of Fees to establish fees for transactions in options on the PowerShares Golden Dragon Halter USX China Portfolio ("PGJ").⁶ The Exchange represents that PGJ⁷ is eligible for options trading because it constitutes "Fund Shares," as defined by ISE Rule 502(h).

All of the applicable fees covered by this filing are identical to fees charged by the Exchange for all other Premium Products. Specifically, the Exchange is proposing to adopt an execution fee and a comparison fee for all transactions in options on PGJ.⁸ The amount of the execution fee and comparison fee for products covered by this filing shall be \$0.15 and \$0.03 per contract, respectively, for all Public Customer Orders⁹ and Firm Proprietary orders. The amount of the execution fee and comparison fee for all ISE Market Maker transactions shall be equal to the execution fee and comparison fee

⁶ PowerShares™ and PGJ™ are trademarks of PowerShares Capital Management LLC ("PowerShares" or the "Adviser"). Halter Financial Group, Inc. ("Halter Financial") is the index provider for the Golden Dragon Halter USX China Portfolio ("PGJ"). The "USX China Index" is a trademark of Halter Financial and has been licensed for use for certain purposes by the Adviser. All other trademarks and service marks are the property of their respective owners. PGJ is not sponsored, endorsed, sold or promoted by Halter Financial, and Halter Financial makes no representation regarding the advisability of investing in PGJ. Halter Financial and PowerShares have not licensed or authorized ISE to (i) engage in the creation, listing, provision of a market for trading, marketing, and promotion of options on PGJ or (ii) to use and refer to any of their trademarks or service marks in connection with the listing, provision of a market for trading, marketing, and promotion of options on PGJ or with making disclosures concerning options on PGJ under any applicable federal or state laws, rules or regulations. Halter Financial and PowerShares do not sponsor, endorse, or promote such activity by ISE, and are not affiliated in any manner with ISE.

⁷ The Exchange inadvertently included a reference to ILF options and requested that the Commission correct this error. Telephone conversation between Samir Patel, Assistant General Counsel, CBOE, and Sonia Trocchio, Special Counsel, Division of Trading and Markets, Commission (December 6, 2007).

⁸ These fees will be charged only to Exchange members. Under a pilot program that is set to expire on July 31, 2008, these fees will also be charged to Linkage Orders (as defined in ISE Rule 1900). See Securities Exchange Act Release No. 56128 (July 24, 2007), 72 FR 42161 (August 1, 2007) (SR-ISE-2007-55).

⁹ "Public Customer Order" is defined in Exchange Rule 100(a)(39) as an order for the account of a Public Customer. "Public Customer" is defined in Exchange Rule 100(a)(38) as a person that is not a broker or dealer in securities.

currently charged by the Exchange for ISE Market Maker transactions in equity options.¹⁰ Finally, the amount of the execution fee and comparison fee for all non-ISE Market Maker transactions shall be \$0.37 and \$0.03 per contract, respectively.¹¹ Further, since options on PGJ are multiply-listed, the Payment for Order Flow fee shall apply to this product. The Exchange believes the proposed rule change will further the Exchange's goal of introducing new products to the marketplace that are competitively priced.

2. Statutory Basis

The basis under the Act for this proposed rule change is the requirement under section 6(b)(4) of the Act¹² that an exchange have an equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing rule change establishes or changes a due, fee, or other charge imposed by the Exchange, it has become effective pursuant to section 19(b)(3) of the Act¹³ and Rule 19b-4(f)(2)¹⁴ thereunder. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise
