SUPPLEMENTARY INFORMATION:

Summary of Information Collection

The Department established TRICARE Prime as an enrollment option to give CHAMPUS-eligible beneficiaries a DoD-sponsored military managed care program. In order to simplify the collection of information on enrollment applications for TRICARE Prime, the existing information collection is being modified to create two separate forms: Initial enrollment/PCM changes and disenrollment. The utilization of these two forms will decrease the total amount of time to complete forms by respondents and will streamline the enrollment/PCM change and disenrollment process. In order to implement this program, it is necessary that certain beneficiaries electing to enroll, change PCM or disenroll complete an enrollment application/PCM change form or disenrollment. Completion of these forms is an essential element of the TRICARE program.

Dated: July 8, 2003.

Alternate OSD Federal Register Liaison Officer, Department of Defense.
