SUPPLEMENTARY INFORMATION:

A. Purpose

This information collection requires applicants and recipients of Federal financial assistance, unless the applicant is an individual or Federal awarding agency that is excepted from those requirements, to register in SAM and maintain an active SAM registration with current information at all times during which they have an active Federal award or an application or plan under consideration by an agency pursuant to 2 CFR subtitle A, chapter I, and part 25 (75 FR 55673 as amended at 79 FR 75879). This facilitates prime awardee reporting of sub-award and executive compensation data pursuant to the Federal Funding Accountability and Transparency Act (Pub. L. 109–282, as amended by section 6202(a) of Pub. L. 110–252). This information collection requires that all prime financial assistance awardees, subject to reporting under the Transparency Act, register and maintain their registration in SAM.gov.

This information collection was amended to meet a statutory requirement of the National Defense Authorization Act (NDAA) of FY 2013. The NDAA of 2013 requires that the Federal Awardee Performance and Integrity Information System (FAPIIS) (currently located at SAM.gov) include information on a non-Federal entity’s parent, subsidiary, or successor entities. Additionally, the information collection was amended to increase transparency regarding Federal spending and to support implementation of the Digital Accountability and Transparency Act of 2014 (DATA ACT).

OMB expanded the requirement to register in SAM beyond grants, cooperative agreements, and contracts, to entities that receive financial assistance such as loans, insurance, and direct appropriations. This information collection requirement (published in the **Federal Register** at 85 FR 49506 on August 13, 2020) is included in OMB’s revision to guidance in 2 CFR subtitle A, chapter I, and parts 25, 170, and 200, effective June 12, 2023.
