The information is used by the U.S. Congress, other Federal Agencies, State and local governments and private sectors for the purpose of developing programs, planning, and to award financial assistance to American Indians.

We specifically request your comments on the following:

1. Whether the collection of information is necessary for the proper performance of the functions of the BIA, including whether the information will have practical utility;
2. The accuracy of the BIA's estimate of the burden of the information collection, including the validity of the methodology and assumptions used;

4. How to minimize the burden of the information collection on those who are to respond, including the use of appropriate automated electronic, mechanical or other forms of information technology.

SUPPLEMENTARY INFORMATION: As published in the **Federal Register** of February 4, 2002 (67 FR 5130), the deadline for submitting application forms under this NOFA was March 6,
