BILLING CODE 4310–05–P

DEPARTMENT OF JUSTICE

Guidance on Referrals for Potential Criminal Enforcement

ACTION: Notice.

SUMMARY: This notice describes the Department of Justice's plans to address criminally liable regulatory offenses under Executive Order 14294 on Fighting Overcriminalization in Federal Regulations.

SUPPLEMENTARY INFORMATION: On May 9, 2025, the President issued Executive Order (“E.O.”) 14294, Fighting Overcriminalization in Federal Regulations. 90 FR 20363 (published May 14, 2025). Section 7 of E.O. 14294 provides that within 45 days of the order, and in consultation with the Attorney General, each agency should publish guidance in the **Federal Register** describing its plan to address criminally liable regulatory offenses.

Consistent with that requirement, the Department of Justice (the “Department”) advises the public that by May 9, 2026, the Department will provide to the Director of the Office of Management and Budget (“OMB”) a report containing: (1) a list of all criminal regulatory offenses¹ enforceable by the Department; and (2) for each such criminal regulatory offense, the range of potential criminal penalties for a violation and the applicable mens rea standard² for the criminal regulatory offense.

This notice also announces a general policy, subject to appropriate exceptions and to the extent consistent with law, that when the Department is deciding whether to prosecute alleged violations of criminal regulatory offenses, the Department will consider, among other factors:

- the harm or risk of harm, pecuniary or otherwise, caused by the alleged offense;
- the potential gain to the putative defendant that could result from the offense;
- whether the putative defendant held specialized knowledge, expertise, or was licensed in an industry related to the rule or regulation at issue; and
- evidence, if any is available, of the putative defendant’s general awareness of the unlawfulness of his conduct as well as his knowledge or lack thereof of the regulation at issue.

This general policy is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

Aaron Reitz,

Assistant Attorney General Office of Legal Policy.

FOR FURTHER INFORMATION CONTACT: John Schuettinger by telephone at 202–693–2680 (this is not a toll-free number) or by email at OUI-PRA@dol.gov.

SUPPLEMENTARY INFORMATION: DOL, as part of continuing efforts to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies an opportunity to comment on proposed and/or continuing collections of information before submitting them to the Office of Management and Budget (OMB) for final approval. This program helps to ensure requested data can be provided in the

desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements can be properly assessed.

The Deficit Reduction Act of 1984 (DEFRA) established an Income and Eligibility Verification System (IEVS) for the exchange of information for specific programs administered by state agencies. The programs include Temporary Assistance for Needy Families, Medicaid, Food Stamps, Supplemental Security Income, Unemployment Compensation, and any state program approved under Titles I, X, XIV, or XVI of the Social Security Act. Under the DEFRA, participating programs must exchange information to the extent that it is useful and productive in verifying eligibility and benefit amounts to assist the child support program and the Secretary of Health and Human Services in verifying eligibility and benefit amounts under Titles II and XVI of the Social Security Act.

On September 27, 2006, ETA issued a final rule regarding the Confidentiality and Disclosure of State Unemployment Compensation Information (71 FR 56842). This final rule includes a requirement for states to operate an income and eligibility verification system that meets the requirements of Section 1137 of the Social Security Act (*see* Subpart C of 20 CFR part 603). This rule supports and expands upon the requirements of the DEFRA and subsequent regulatory changes. The DEFRA authorizes this information collection.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. *See* 5 CFR 1320.5(a) and 1320.6.

Interested parties are encouraged to provide comments to the contact shown in the **ADDRESSES** section. Comments must be written to receive consideration, and they will be summarized and included in the request for OMB approval of the final ICR. In order to help ensure appropriate consideration, comments should OMB Control number 1205–0238.

Submitted comments will also be a matter of public record for this ICR and
